Report on "Dr. APJ Abdul Kalam Memorial Students Seminar"

Report:-

The Internal Quality Assurance Cell (IQAC) in association with the Research and Development Committee of Pillai HOC College of Arts, Science and Commerce, Rasayani had organized **Dr. APJ Abdul Kalam Memorial Students' Seminar** for students on **November 27, 2021**, from 11.00 am-1.00 pm through Google Meet.

The primary objective of this seminar was to improve and enhance the student's presentation skills and to familiarise them with the concept of paper presentation. Researching, writing, and presenting a paper provides a student with invaluable early experience in expressing ideas related to their field or area of interest.

In the seminar, students presented topics like Renewable Energy resources, Artificial intelligence, cloud computing, future scope of biopolymers etc.

Dr. Nanabhau Karanjule, Assistant professor of K.J Somaiya College of Science and Commerce was the judge for this event.

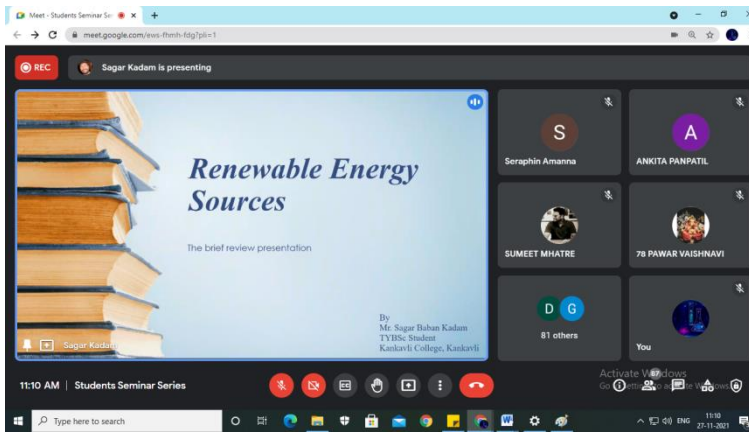

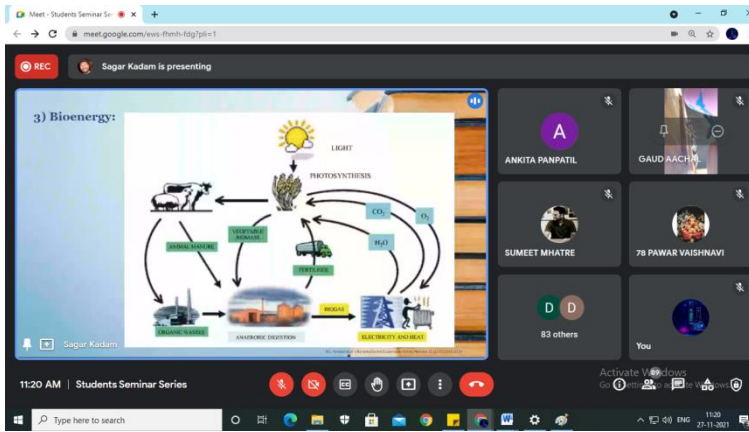

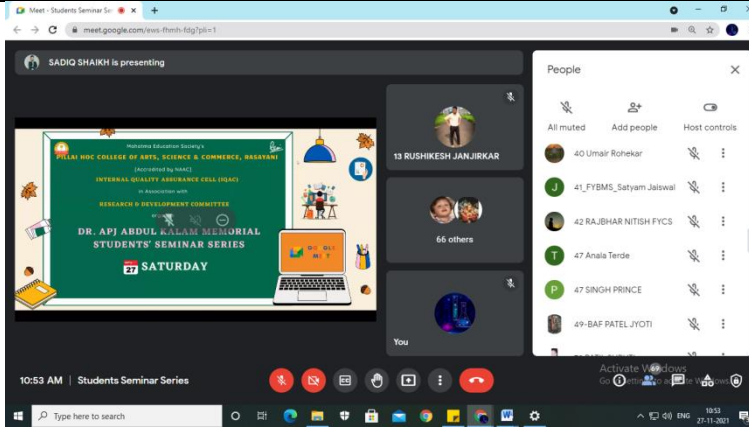

Mr.Sagar Kadam of Kankavali college bagged the first place in the event. It ended with a positive feedback from the students.

We owe a great deal of gratitude to Dr. Lata Menon, Principal, PHCASC for her constant support and guidance. We would like to place on record our appreciation towards our Vice-Principal Mr. Binit Kumar.

Thanks & Regards,

IQAC & Research and Development Committee
