REPORT ON PLAY AND LEARN

Date :- 24 November,2019

Time:- 2.40 to 3.30

Venue:- Group Gram Panchayat ,Devloli

Organized by:- NSS Unit

With a mission to spark children learning through play. While recognizing that children learn in many ways, the NSS Unit focuses on the learning that occurs through child- centered play. Play may seem simple, yet it is profound to a child development which makes learning joyfully and naturally.

Our 210 NSS Volunteers along with college students and with 2 teachers visit adopted village, Devloli to teach English through play and child development into interactive learning environment through its exhibits and programs. The daily interactions and experiences you share with the children is how they learn about the world around them. The best learning happens when children play. It is important to let your children play every day. A play-based learning with Yoga encourages talking, reading, thinking and writing. Through this, your child sees literacy and numeracy as part of their everyday experience.

Play along with them and you will be amazed at what you can learn together.
