Dear All,

Greetings!

Film, Drama & Music Club and Faculty of Arts, in association with Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science and Commerce, Rasayani (PHCASC), are collaboratively organising a Movie Screening followed by a Discussion on Career Opportunities in the Field of Acting and Editing, as a part of Alumni's contribution on March 06, 2021.

The Guest Speaker for this occasion is Mr. Shreyash Jadhav(Alumnus) who will interact with the students, guiding them on opportunities they can encash in the domains like Film, Theatre and Broadcast industry. The speaker will also talk about the initial challenges faced by amateur artists, preparing the ways to cope up with the same.

The objective of the event is to encourage discussion and analysis from various perspectives bringing students together to share experiences.

Time: 3:00 pm- 4:30 pm

Platform for the Event - Zoom.

The link will be shared half an hour before the event.

Registration Fee: FREE OF COST (No Fee).

December 07, 2021

NOTICE

Film, Drama & Music Club and Faculty of Arts, in association with Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science and Commerce, Rasayani (PHCASC), are organising a Movie Screening followed by an interactive session on film appreciation on **December 10, 2021.**

The objective of Film screening is to develop different cinematic perspective and how to identify the hidden subtext of human emotions. Film appreciation as a subject helps us to explore different realms in cinema and how commercial cinema has created a superficial visual experience, whereas world's greatest classics have discovered nuanced human consciousness. This exercise will cultivate an understanding in them which would help them become better students of cinema.

This activity is exclusively designed for BAMMC students. However, interested students from other streams will also be welcomed.

Notice

Literary Association in collaboration with Internal Quality Assurance Cell (IQAC) of **Pillai HOC College of Arts, Science and Commerce, Rasayani (PHCASC)** have invited all the students of PHCASC to participate in **HEARTFULNESS ESSAY EVENT 2020** organized by Shri Ram Chandra Mission, United Nations Information Centre for India and Bhutan & The Heartfulness Education Trust.

The topic of the essay competition was **Poverty is not Just a Lack of Money.**

Interested students may coordinate with Asst. Prof Ashwini Satve, for further details

become much closer virtually. It is a bliss and a delight to have the current technology today that diligently keeps us all ever closer than before.

This brings us to this proposal of holding an Incubation event jointly with University of Stirling, RAK Campus and ITM group of Institutions, India, to showcase the entrepreneurial talents of students. This will have the content and scope for those of the students having entrepreneurial aspirations and those of them aspiring to have an application oriented employability virtue. This event is designed and planned completely online. The most immediate and proximate relevance would ideally be COVID - 19: current and post. This event will be called: Business Incubation Weekend (BIW)- New Start Up Ideas.

This will be your forum to pitch in a Business idea. You will combine your knowledge and ideas in the areas of business, marketing, finance and technology to harness a business relevant synergy in the current and post Covid-19 context. While doing so you will make the pitch socially pertinent or at least close to being socially pertinent. This session will eventually culminate in a competition. This **'Business Incubation Weekend – BIW'** will entertain presentation papers from all School and University students locally and internationally from any discipline of study. The event is from 15th October and culminating on 24th October, 2020

Stage 1 - Paper presentations will be based on the following stages and criteria:

A. BIW presentation:

Your group will consist of minimum four to maximum of up to five students. Any number of groups can participate from a University/School. Your group has to present a business startup idea to a panel of judges and the audience. You will, before the presentation, submit a short report to the panel and such paper shall consist of word counts not exceeding 400 to 500 words, excluding tables, references and appendices if any. The Panel of judges will then select the best twenty (20) business startup ideas.

The 20 best selected groups will then present a pitch of their business idea to the audience assuming that they are the prospective and potential investors in their enterprise. These groups will present the pitch book in Group Presentation format; online via Microsoft teams.

While you present your paper you must address the following:

Introduce your business idea

Outline the business idea

- Which customer problem are you solving?
- What uniqueness/benefits are you offering?

Introduce your business model

- Key Activities
- Key Resources
- Key Partners/ Channels

- Customer Segments

Impact

- Has/ will the business evolve/transformed during & post COVID?

Strategy

- Corporate Level- Growth/Stability/Turnaround
- Business Level-Differentiation/Cost Leadership/Focus

Marketing and Communication Plan

- Which Media Channel you will use to reach the customer?
- Which customer insight was used to develop the marketing campaign?

Financial Plan

- Sales forecast
- Operational expenses budgets
- Capital expenditure budgets
- Projected Income Statement

All these numbers will be in US \$ only.

Conclusions

- Convince the Investors

References – include the source of all claims made in your presentation (provide a list of references on your last slide).

A panel of judges will evaluate your team's paper for the preliminary round and the BIW 2020 Committee will send you a 'notification to present' via an e-mail. Should you receive such a notification by the 12th October, 2020, then your team has been shortlisted for presentation in person before the panel of program judges on the 24th October 2020.

The shortlisted candidates will be connected with Mentors from 15th October to 17th October, 2020 - the participants can select and block their meetings time with mentors; 30 minutes with a mentor.

The Final Presentation should be emailed to the BIW 2020 team no later than 23rd October, 2020.

Winning teams (First place and Runner up) will be the 'BIW 2020 Star of the event' and Runner-up respectively. All participants will receive a certificate of participation.

If you or your team are participating please register yourself

Register now (https://form.jotform.com/202601974497058)

Notice

25th February 2021

In the history of science, we often find that the study of some natural phenomenon has been the starting point in the development of a new branch of knowledge. – C. V. Raman

Dear Students,

National Science Day is celebrated in our country on 28 February each year to mark the Discovery of the **Raman Effect** by Indian physicist **Sir C. V. Raman** on 28 February 1928. The theme for National Science Day 2021 is “**Future of STI: Impact on Education Skills and Work**”

The Science club in association with Internal Quality Assurance Cell (IQAC) of Mahatma Education Society's Pillai HOC College of Arts, Science and Commerce (PHCASC) Rasayani is organizing an **essay competition** in three languages (English, Hindi and Marathi) to celebrate the National Science day for this year.

The topic of the essay competition is

“What should be the roadmap of India for future STI: A student's perspective”

Details of the competition:

Languages: English, Hindi and Marathi

Length of the Essay - 400 words (max.)

Typing format: Hand written (PDF, JPEG or PNG)/ Computer type (PDF/ Word)

(Make sure to put the correct Name, Department, college at the first place of the essay document)

Date and time of submission: 3 March, 2021, 5 pm

Result declaration: 4 March 2021, 5 pm

For registration and uploading the content kindly fill up the below Google form

<https://forms.gle/9Nk7JpxiBcRfTFnu8>

E-certificates will be issued to winners within 5 working days.

To Observe **World Investor Week 2020 - 23rd November to 29th November, 2020**

World Investor Week (WIW) is a week-long, global campaign promoted by IOSCO to create awareness about the importance of investor education and protection and also to highlight the various initiatives of securities regulators in these two critical areas. From 23rd to 29th November, 2020, IOSCO securities regulators and other IOSCO members of six continents will provide a definite range of activities, such as launching investor-focused communications and services, promoting contests to increase awareness of investor education initiatives, organizing workshops and conferences, and conducting local/national campaigns within their own jurisdictions.

India is a member of IOSCO and would be significantly celebrating this week.

Session Details:

Duration: 1 Hour

Date: 27th November, 2020

Time: 01:00 pm to 02:00 pm

Platform: Online

Fee: It will be free of cost.

Co-Convenor: - (if any)	Mr. Prathamesh Gokhale
Number of participants benefited:-	77
Report:-	Mahatma Education Society's Pillai HOC College of Arts, Science and Commerce , Rasayani.

REPORT ON EXPERT TALK ON 'INTRODUCTION TO PHOTOGRAPHY'.

Pillai HOC College of Arts, Science and Commerce, Rasayani and Faculty of Arts conducted **Expert Talk** on '**Introduction to Photography**' for the students of BAMMC. The webinar was conducted by renowned photographer **Mr. Swapnil Chaudhary** who is street, abstract, aficionado photographer. His works in photography has been credited by Nat-Geo one of the leading media house in travel, lifestyle and exploration genre. There were around 77 participants present for the webinar. The objective of the webinar was to acquaint students about the process of photography and its technicalities. Talking about the technicalities, to say so, a photographer will always seek for minute details and precise timing. Because, for that person it's not just about clicking a picture for a sake of it, rather to capture a moment of a life, a moment that can be cherished forever. Likewise, Mr. Swapnil's passion for photography was also reflected in his explanation as well. He very minutely covered the entire function of operating a camera. To give an example, he briefed us about the features and functions of camera, such as, what is viewfinder in camera? what is lens? what are manual settings?. He explained the students on how to take pictures by adjusting variations in aperture, shutter speed and how it will reflect on clicking a photo. To support his explanation he showcased one of his best works in photography. The snaps taken by him was truly eye-catching. The report could have been incomplete if we didn't mentioned his breathtaking snaps such as **the capturing of the thunderbolt, the macro photography on Buddha idol, the shadow effect on certain objects, the portraits, the depth angle shots , the light effect shots , the point of view angle, the third rule in photography** and many more. Each and every snap captured by him was an enthralling journey to all of us, as if we are in that magical moment. Mr. Swapnil during his interactive session with students rightfully quoted that, ***"when you click a picture, you are actually telling a story which will have all the meaning and emotions to express in it and one should not miss that, because it will be there just once in a million seconds."***

Mr. Swapnil Chaudhary presented a pot of knowledge on photography to amateur and aspirant photographers among our students and perhaps amongst the faculty members as well. We wished, we could have opportunity to conduct actual session in our campus, but due to unfortunate Covid situation we managed to conduct on digital platform. But, we would like to conclude by saying **in language of photography** that, **we have captured the webinar in our mind and will cherish it in our memories, which can neither be deleted nor erased.**

The session ended with positive feedback from students and interactive question – answer session for clearing their respective doubts on this subject.

	<p style="text-align: center;"><u>Report on a Webinar on ‘Chanakya Neeti: The Mantra to Excel’</u></p> <p>As a part of Golden Jubilee Year of Mahatma Education Society, the departments of Economics and History in association with IQAC of Pillai HOC College of Arts, Science and Commerce, Rasayani organized a webinar on Chanakya Neeti: The Mantra to Excel on June 25, 2020 from 11:30 a.m. to 1.00 p.m. This was an attempt to raise the confidence level of students and teachers alike by applying the mantras of the learned philosopher; Chanakya.</p> <p>The speaker for the webinar, Dr. Radhakrishnan Pillai, the number one bestselling author in business publications in India, for his great expertise and command in the field. He was very impressive with presentation and his valuable guidelines were really a matter of great appreciation. He guided the students and teachers comprehensively and covered all the aspects and requirements of excelling in life. The speaker dealt with Chanakya's Arthashastra for its precise and timeless descriptions of power. His apt examples were self-explanatory. The webinar culminated with a question and answer session and positive feedbacks from the students, teachers and delegates.</p>

Difference between Stock Market Investing and Mutual funds Investing

Stock Market	Mutual Funds
<ul style="list-style-type: none"> • Time required to track the markets • Knowledge required what to buy and sell • One needs bulk capital to invest. Ex one share of reliance is 1100 so 10 shares will cost Rs. 11000 • Only rich person or affluent can take risk 	<ul style="list-style-type: none"> • You do not have to dedicate your time as MF is looked by Fund manager • No knowledge required as Fund manager and his research team does buying and selling • One can start with Rs. 500 SIP • Any one like rickshaw driver, washer man can also invest

Aditya Srinivas is presenting

04 DIPRAJ BAN... and 34 more

Fundamental Analysis

- Fundamental Analysis is the study to find out good companies for long term investment
- It answers the questions "Which shares to buy"
- Fundamental Analysis does 3 tier analysis

one medium out of Marathi , Hindi and English. Five Students participated in the event. Three Students were declared as winners by the judge of the competition Dr. Archana Bhagwat. Shivangi Mishra from FYBMS obtained first rank in the competition.

Photos:-

Fundamental science paves the way to future innovation and has a vital role to play in today's competitive world. Fundamental research has the power to make people dream, and it attracts the innovators of the future into science.

The pandemic has had a long-lasting effect on the educational sector. This situation demands the use of virtual classroom which are not used to before. To adapt to this change over to a digitally-driven world needs technology and innovation. I think STI 2021 has focused on school, university and vocational education and these are the focus areas of this thematic group.

The pandemic is biggest barriers in our country's education system. The policy recommends steps to accelerate research and innovation in the higher educational institutions, improve the education system and teaching-and-learning through research, and make education at all levels more inclusive and connected with the economies and societies of the India.

Now, we talk about the Roadmap of India for future STI. The pandemic has made the nation realise the importance of science and innovation. The investment in science and technology which has hovered around 07% must be raised progressively in the decade of 2020s to 2% of GDP, that has been consistently promised over the past 3 decades. So I think the future of STI is good.

Conclusion:-

As a good conclusion, I want to conclude that the policy of STI must improve our education as well as others persons also. India's fifth national policy for Science, technology and Innovation aims to capture the aspirations of the entire nation through a decentralized, bottom up and inclusive approach. This policy provides a renewed STI ecosystem for "ATMANIRBHAR BHARAT".

Thankyou.

“What Should Be The Roadmap Of India For Future STI : A Student's Perspective”

“भविष्यातील एसटीआयसाठी भारताचा मार्गचित्र काय असावे: विद्यार्थ्यांचा दृष्टीकोन”

भारतीय शिक्षण पद्धत अजूनही जुनी शिक्षण प्रणाली आहे. याने अशी कितीतरी बुद्धिमत्ता निर्माण केली आहे जी संपूर्ण जगाला भारताचा अभिमान वाटू लागले आहेत. तथापि, ही सर्वात प्राचीन प्रणालींपैकी एक आहे, परंतु इतरांच्या तुलनेत हे अद्याप विकसित झाले नाही, जे खरं नवीन आहे. हे असे आहे जेव्हा इतर देश वाढीच्या आणि प्रगतीतून गेले आहेत, परंतु भारतीय शिक्षण व्यवस्था अद्याप म्हातारपणात अडकली आहे. यास बऱ्याच समस्यांचा सामना करावा लागतो ज्याच्या पूर्ण क्षमतेपर्यंत पोहोचण्यासाठी त्या सोडविणे आवश्यक आहे.

आपल्या भारतीय शिक्षण प्रणालीला बऱ्याच समस्यांचा सामना करावा लागतो ज्यामुळे ती प्रगती होऊ देत नाही आणि इतर मुलांना जीवनात यशस्वी होण्यास मदत करत नाही. सर्वात मोठी समस्या ज्याचा सामना करावा लागत आहे ती गरीब ग्रॅडिंग सिस्टमची आहे. हे परीक्षापत्रांच्या रूपात असलेल्या शैक्षणिक आधारे एखाद्या विद्यार्थ्याच्या बुद्धिमत्तेचा न्याय करते. जे विद्यार्थी त्यांच्या एकूण कामगिरीत चांगले आहेत परंतु विशिष्ट विषयांमध्ये ते चांगले नाहीत अशा विद्यार्थ्यांसाठी हे अगदी अन्यायकारक आहे.

शिवाय, ते जे शिकवले जाते ते समजून घेण्याकडे लक्ष देत नाही आणि चांगले गुण मिळविण्याचा प्रयत्न करतात. दुसऱ्या शब्दांत, हे गुळगुळीत होण्याद्वारे चांगले गुण मिळविण्यास प्रोत्साहित करते आणि प्रत्यक्षात संकल्पना कार्यक्षमतेने न समजण्याद्वारे.

याउपर, भारतीय शिक्षण प्रणाली सिद्धांतावर अधिक लक्ष केंद्रित कसे करते हे आपण पाहतो. प्रॅक्टिकलसाठी थोडीशी टक्केवारी दिली जाते. यामुळे ते पुस्तकांच्या ज्ञानाच्या मागे धावतात आणि प्रत्यक्षात ते वास्तविक जगावर लागू होत नाहीत. व्यावहारिक ज्ञानाच्या अभावी जेव्हा ते वास्तविक जगात बाहेर पडतात तेव्हा ही प्रथा त्यांना चकित करते.

Report:-	<p>Insolito 2021 was organised by the Students' Council and Faculty of Arts, Science and Commerce in collaboration with the Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science and Commerce, Rasayani.</p> <p>This event was an initiative to help students find a platform to discover and showcase their talent and potential to its fullest. A website was created to help students access the information regarding various events. Additionally, an individual Whatsapp group was created by every department to help students participate with ease.</p> <p>The event was conducted through online means of a Google form. Students were provided with the option of uploading their videos or PPTs depending on the nature of the competition.</p> <p>The Arts Department held two competitions and their details are mentioned below:</p> <ol style="list-style-type: none"> a. Talk it Out (Mimicry) Students were required to create a 3-minute video with their rendition of any popular celebrity from the world of entertainment, politics or sports. Instructions were provided to adhere to the given time-limit. The judge of the event, Assistant Professor, Disha Chotaliya, was required to judge the event on the scale of 1-10. b. Mike-A-Pic (Singing) Students were required to select a song of their own choice from any genre. However, instructions were given to choose a song with decent lyrics that promotes peace and harmony in every sense. It was also required that the video recording of the song be unaccompanied by karaoke music. Students were required to close the video within a time-limit of 3 minutes. The judge of the competition, Assistant Professor, Pallavi Patil, was required to judge the selection of the song for 5 marks and voice modulation and pitching of the participant for 5 marks. <p>Two students registered for the event.</p>

Report:-	<p>Dear All</p> <p>Department of Arts in association with Internal Quality Assurance Cell (IQAC) has successfully organised a session on Presentation Skills- Excel as a Prolific Presenter on May 25, 2021.</p> <p>This event was divided into two sessions. Morning session was administered by our honourable guest Dr. Rajesh Yeole, Head Department of English, CKT College, Panvel and a recognised PhD guide in the subject of English. Our resource person highlighted the significance of Public Speaking skills and focused on the multiple facets</p>

	<p>of effective communication which will help one to enhance communication skills and to build impressive professional personality. Our guest speaker for the afternoon session was the respected personality , Mr. Aditya Gokhale, Manager in Sourcing and Procurement, Pune. He illustrated all the delegates with effective presentation techniques and threw light on some technical aspects related to power Point Presentation Tools. Both the sessions were highly informative and qualitative.</p> <p>The speaker further illustrated his ideas with the demonstration of remarkable examples of the topic. The webinar culminated with a question and answer session and positive feedbacks from the participants.</p> <p>We owe a great deal of gratitude to Dr. Lata Menon, Principal, PHCASC for her constant support and guidance. We would like to place on record appreciation towards our Vice-Principal Mr.Binit Sir.</p> <p>Thanks & Regards Department of Arts& IQAC.</p>
