Alumni Policy Statement

Introduction

Alumni contribution is a widely acclaimed practice that enables institutions and students to have a collaborative effort to build institutional value for quality education. It provides various opportunities for students to initiate other academic pursuits. Former students' first-hand knowledge aids in the formation of institutional bonds and sharing their knowledge to assist academic students in understanding various curricula through workshops and guest talks.

The alumni are able to provide real-world connections to the university and are thus able to make the university stakeholders more "world-ready." This aspect of alumni involvement provides the opportunity to all interested alumni to be engaged with the university, irrespective of their professional and financial successes. Another major visible activity of the alumni is providing donations to the institution. The donations can be of any size and can be either directed towards a specific activity or to support a range of activities. There are a number of prerequisites for seeking major donations to the college.

The Alumni Contribution Policy helps to provide all departments and units with consistent language and operating principles as they relate to alumni relations. It also provides a structure for how college-recognized alumni and donor groups may be developed. This will help the institution to ensure efforts to engage alumni are efficient, aligned with overall advancement and college goals, and provide a uniformly positive experience for alumni.

Aims & Objectives :

1. To foster close relationships between Alumni and the college.
2. To encourage the formation of Alumni Chapters as a means to increase participation of Alumni.
3. To recognize and identify the role of our Alumni as important stakeholders in the continuing quest to provide excellence in education by way of academic and technical collaborations.
4. To organize socio-cultural events and interactions between Alumni and current academic students.
5. To realize the enormous benefits that may come from the engagement of Alumni with the college and seek their support in identifying strategic directions for academic excellence.
6. It can provide crucial benefits in enriching the students' experience while being at the college.
7. To provide opportunities to Alumni to be involved in College activities such as graduation, public lectures, scientific conferences, sports and cultural activities, curricula reviews, College linkages with industry, etc.
8. To Update alumni with the latest developments.

9. To undertake to organize activities of a civic or charitable nature, as also to increase public awareness of the role of technology in value addition in the economic and social development of the nation.

Constitution of Alumni Association

"Pillai HOC College of Arts, Science and Commerce Alumni Association", Khalapur Rasayani, District Raigad was registered on 29th March 2017. All members of the committee are affiliated to the institute. Following are the details of the association members, their designation and responsibilities:

President:

The President oversees the Alumni Association's organization and affairs, is responsible for keeping members informed on committee matters, presides over all committee meetings, and represents the Association in its dealings with external parties. Any person serving in this position will be holding it for a period of five years.

Secretary:

The Secretary keeps all records relating to the Alumni Association, except those relating to financial matters, and is responsible for their accuracy. Whoever is in this post, will keep minutes of all meetings and provide copies to the Alumni Relations Office for record keeping, and also will maintain an up-to-date membership list at all times.

Treasurer:

The Treasurer will keep all funds and collect and disburse them on behalf of the Alumni Association, and will keep an account of all monetary transactions and will be responsible for their correctness. The person in this position will submit a Treasurer's report at meetings of the Executive Committee.

Faculty Coordinator:

A faculty coordinator gets assigned to oversee all student committee members. The faculty coordinator gets assigned each academic year to foresee student committee members.

All committee members

The committee will consist of alumni representatives of various Programmes. The committee members are the ones who initiate and organize the alumni events. New committee members will be elected in each year within the five years.

	<p>Rasayani, has organised a webinar on Introduction to Photography - A Picture Perfect Moment. The objective of the webinar was to introduce students to the new media age of information and technology. Photography can inspire us to travel, enjoy life, and celebrate the moments. Taking pictures inspires us to have the desire to experience more. However, just clicking pictures does not suffice. If we are passionate, we can make a career out of it. It requires a certain set of skills and an artistic perspective. Taking into consideration the above factors we conducted a webinar as a part of an alumni initiative and invited our alumni who have marked their career in the field of photography. Through this webinar, the alumni discussed with students the technicalities in photography and how to refine their skills in order to make a career in the field of photography. It was an interactive session. The session ended with positive feedback and a formal vote of thanks.</p>

Artificial Intelligence

The slide features a list of AI fields on the left and a diagram on the right showing two human heads connected by a double-headed arrow, with a computer monitor and keyboard positioned between them, symbolizing human-machine interaction.

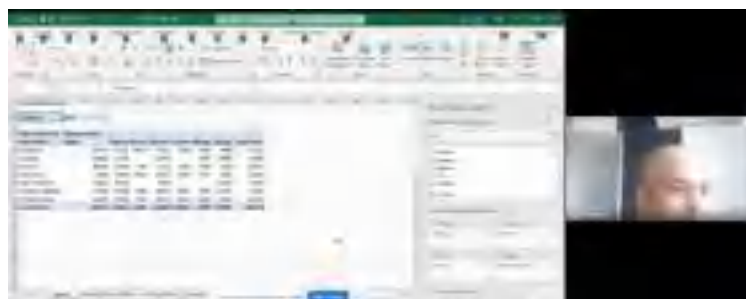

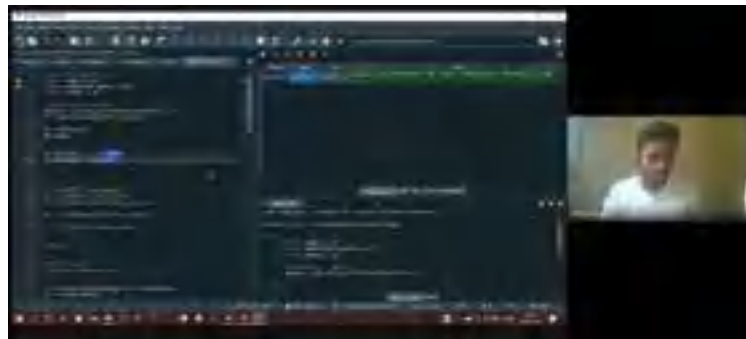

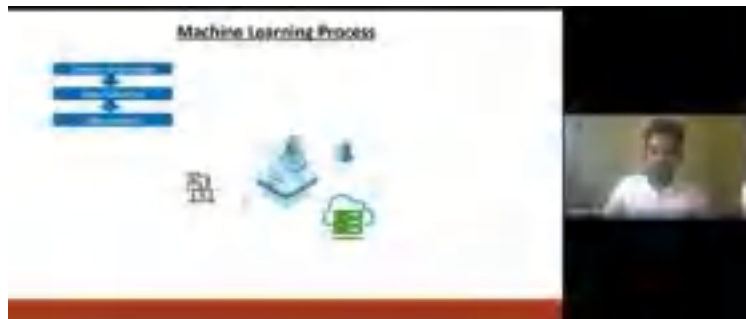

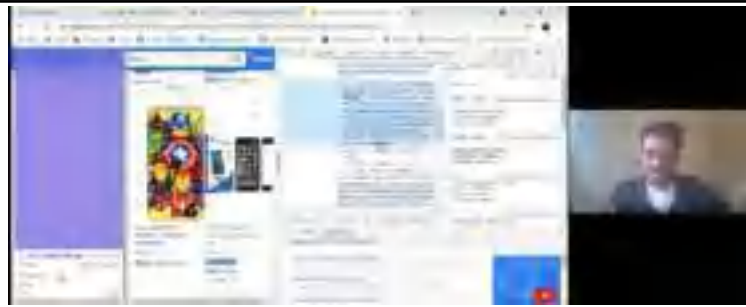

Artificial Intelligence

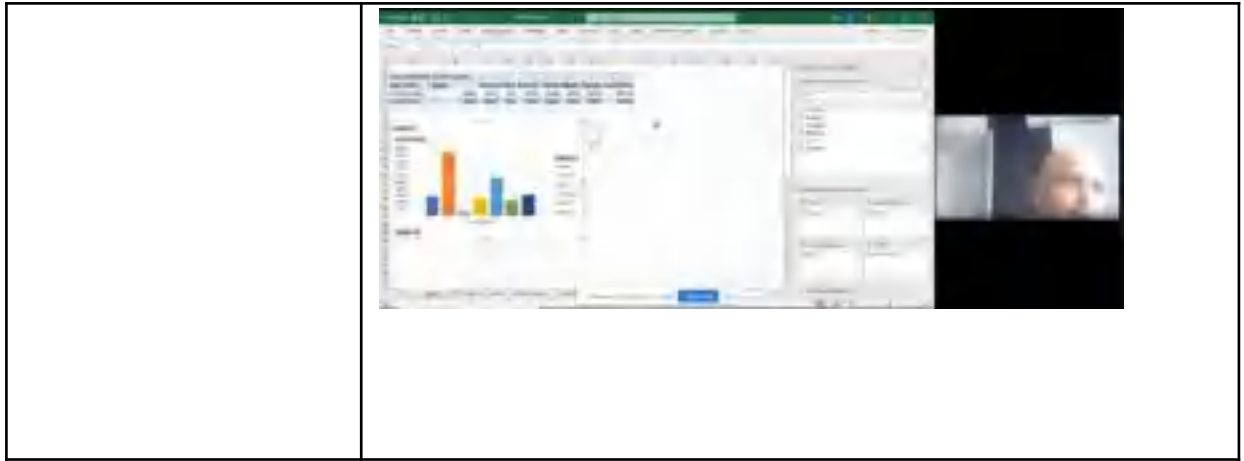

The slide shows a central box labeled 'Artificial Intelligence' with four arrows pointing to boxes labeled 'Data', 'Algorithms', 'Hardware', and 'Software', representing the components of AI.

- A vast attack surface
- 10s or 100s of thousands of devices per organization
- hundreds of attack vectors
- big shortfalls in the number of skilled security professionals
- Masses of data that have moved beyond a human-scale problem

Types of Data

The slide includes a graph on the left showing exponential data growth from 1980 to 2020, with a label 'Exponential growth in data volume'. On the right, a classification tree shows 'Types of Data' branching into 'Structured Data' and 'Unstructured Data', with further sub-classifications for each.

Report:-	<p>The Department of B.Com organized an Alumni Talk. Alumna, Ms. Neelam Mundhe who graduated in 2013 was the guest. At present, she is pursuing her B. Ed. from Pillai HOC College of Education & Research. The objective of the talk show was to enlighten the students about the requirement of a changed mindset concerning the time towards women empowerment, their role, and achievements.</p> <p>With reference to International Women's Day, the alumni presented the topic 'Where is she?'. She rightly pointed out a few points like the change in society begins with change within each one, and the word 'No' expressed does not require any further explanation. She also suggested the students to not be discriminatory as future parents. The Oath was taken by the students to ensure no support for gender discrimination. The students were very much engrossed as she also referred to all the different relevant documentaries and commercially successful movies. The flow of talk was interactive, which created awareness for change.</p> <p>Around fifty students attended the talk show. All the students were mesmerized by the very effective PowerPoint presentation by the alumni guest. The event ended with a formal vote of thanks.</p>

COMMUNITY SERVICE DAY 2019-20

Community Service Day is the day when the entire MES family comes under one roof and renders services to the less fortunate section of society.

Objectives:

- To develop sensitization for the needy families and communities.
- To develop a sense of belongingness.
- To offer services to the differently-abled and disadvantaged section of society.
- To help those who are vulnerable and most in need.
- To conduct competitions and activities for needy children.
- To develop a sense of responsibility towards community work.

PHCASC as part of the Pillai group of institutions associated itself with Vanvasi Kalyan Centre which provides education for underprivileged children from the tribal areas and works for their upliftment. 40 students along with two of their caretakers, **six alumni(Anil Saini, Pratik Bapkar, Sourabh Sen, Archana Rajendran, Varun Kadav, and Vaibhav Repale)**, five NSS volunteers were brought to the campus on the 25th January 2020 and were warmly welcomed. They were made to feel comfortable in the classroom and were treated to a delicious lunch. After lunch, the children played Antakshari between two groups. Then the students were divided into different groups for games. The competition was conducted for a paper walk, singing competition, and recognizing animal sounds. Later, the students played musical chairs which children and staff both enjoyed.

The students enjoyed the games. There was a cheerful environment of joy. In the end, the prizes were distributed to the winners in the drawing and the games competition. The whole environment was filled with the giggles and cheers of these students which were our real achievement.

Name of the event :-	Alumni Job Fair
Conducted by:-	Placement Cell
Date:-	1 st February 2020
Venue:-	Dr. K.M. Vasudevan Pillai Campus
Report:-	<p>Employment is the main focus of any country/society/college. Because just giving the best education or training to the students is not enough. The system has to provide a platform for the students to implement & explore their skills in the professional field.</p> <p>We believe that the responsibility of the institution is not just about giving education to students, but also empowering them academically to pass with flying colors. We take additional responsibility to support them in making the right start in their career. In our desire to help them in this aspect we have jointly organized an “Alumni Job Fair – 2020” with PHCASC, PIMSR and PCE, Panvel, on 1st February 2020, at our campus. More than 500 students have registered online and through the on-spot entry. 35 industries have participated in Alumni Job Fair.</p> <p>The companies were invited through the Alumni reference like Shoppu Internet Services Pvt. Ltd. was invited through the reference of our alumni Arushi Sharma, TechFryday, owned by our Alumni Sagar Mahajan was also part of the Job Fair. Anil Kumar Saini and Pratik Adane were also an essential part of the Job fair. They were instrumental in bringing distinct companies to the campus. On the day of the job fair, the registration of the students started early in the morning. Companies also started coming early in the morning. Companies were given a particular location. A list of companies was displayed near the registration desk. So that students can identify their choice of company. Four students got selected for the company and two students got an internship offer.</p>

A brief report: A Talk by Alumni

The Department of B.Com organized **A Talk by Alumni**. Alumna, Sonukumari Mali and Shivani Shelar, who graduated in 2018, were invited as guests. Both are employed in CAMS at present in the capacity of 'Business Support Officer'. The objective of the talk show was to enlighten the students about the promising finance field for fresh graduates.

They guided the students to make a way to be in the finance field. They informed the students about NISM and the examinations held by them. In the field of finance, these exams are crucial to function. They discussed the opportunities and challenges in this career.

They highlighted the relationship between efforts and rewards. They emphasized the need and ample opportunities for career planning and development. Queries were also resolved by them. The interactive session was also full of knowledge.

BCom, BAF, and BMS students attended the talk show. All the students were interested to plan their respect

A brief report of the event:

On **Wednesday, October 17, 2018**, the **Alumni Association** organized **A talk on “ Business setup and process’**. Our college Alumni **Mr. Anil Saini & Kshitij Patil** at present engaged in Behat Food & Agro Products Private Limited which was established in the year 2017 at Sector 24 Parsik Hill Rd, Sector 26, CBD Belapur, Navi Mumbai, Maharashtra 400614. It is the foremost manufacturer of Cooking Spices, Turmeric Powder, Bay Leaves, Tej Patta, and Star Anise Powder. The company's products are high in demand due to their premium quality, seamless finish, different patterns, and affordable prices.

In the beginning, both guided the students about the registration process of the company and how to start a business with limited capital. They emphasized different points ranging from survival, growth, and development of the business. It is expected to focus on manufacturing activity with strict quality standards, reliable product range, and customized packaging. They continued on the distribution aspect. It can be effective with timely delivery, a wide and efficient distribution network, and huge warehouses. They further added that competitive price structure also plays an important role. While covering the human resource aspect, they expressed that a highly experienced team of professionals and workers is an asset to the company.

To conclude they also touched upon the balanced state of mind and firmness required by an entrepreneur in all distinct situations. They emphasized the "Never give up" attitude and its importance to succeeding in the long run. The session ended with a formal vote of thanks.

ALUMNI GUIDANCE SESSION-2017

Date: December 18, 2017

The programmes of IT & CS organized an “Alumni Guidance Session” for the students. Ms. Anita Rajput, an Alumna, enlightened the students on “Career in Computer Networks”. The objective of the programme was to facilitate, consolidate and coordinate Alumni Activities at Pillai HOC College of Arts, Science and Commerce, Rasayani on December 18, 2017. The Alumni arrived by 11.00 a.m. The Alumni Meet started with a welcome address by the alumni association president. The Principal, Dr. Lata Menon, graced the meeting.

The Alumni interacted with the students giving them different perspectives on careers. She also spoke about preparing for higher studies. The types of roles discussed included network support technicians and administrators that support and troubleshoot networks. On the other hand, network engineers take on more challenges and responsibilities, such as implementing and maintaining networks. Other roles like network manager might include overseeing the entire network, personnel, and capacity planning. The last more advanced role is the network architect, which deals with design and testing in advanced and large-scale networks. A simple discussion on topics regarding computer models and their working was also discussed.

Students asked many questions regarding placements and the alumni shared her views. A formal vote of thanks was delivered Ms Nirali Verma, alumni association secretary. She thanked the various organisers. She also thanked the management of Pillai HOC College of Arts, Science and Commerce, Rasayani College for their continued support and guidance.

A brief report of the event (Please add pages, if required):

Alumni meet of PHCASC was held on March 10, 2018 in Architecture Hall. It was inaugurated by the Principal and alumni of PHCASC. This Annual Meet was held to facilitate a bonding between the college and alumni. Ex-students of different programmes across all streams attended the event. Thereby enabling the college to be in continuous touch with the students.

The meet started traditionally with the lighting of the lamp followed by a dance performance. The occasion was graced by Alumni ranging from various programmes consisting of more than sixty students. A few of the alumni students shared their valuable experiences as well as interesting moments of campus life with the audience. It was a great pleasure to know about their professional and personal accomplishments. However, everyone appreciated the efforts of PHCASC in organizing the meet successfully.
