Many families of Mahad in Raigad district were affected by flooding and other rain-related incidents in July. ISR cell unit worked to provide relief in the form of food, clothes, dry ration kits, and other essentials in the flood-ravaged regions of Mahad. The help provided so far includes the distribution of essential food items, clothes, and sanitary pads in the Kemburli and Pale</p>

area of Mahad. It was indeed the need of the hour amidst the flood situation. Ms. Kalavati Upadhyay and NSS alumni volunteered to do this on our behalf. We could reach 110 families and made the basics necessities of food like rice, dal, oil, and spices available to them. They were all indeed very thankful.

We owe a great deal of gratitude to Dr. Lata Menon, Principal, PHCASC for her constant support and guidance. We would like to place on record appreciation towards our Vice-Principal Mr. Binit Kumar.

The ISR Cell of PHCASC had organized a dam cleaning drive to create awareness about water reticulation, water demand management and water conservation. Sedimentation in dams results in loss of storage capacity; increases pressure on the dam structure, and can have a wide range of possible negative impacts on the environment.

On July 02, 30 students from our institution under the guidance of Ms. Anita Mhatre and Ms. Archana started cleaning activity at Devloli dam. The students were divided into teams and assigned with different tasks. Students collected 15 bags of garbage.

This activity helped to clean and restore the dam to the desired state.

We owe a great debt of gratitude to Dr. Lata Menon, Principal, PHCASC for her constant support and guidance. We would like to place on record our appreciation to our Vice-Principal. Also, we would like to thank our coordinators and the support of the entire organizing team of the event and all faculty members of PHCASC for their support and encouragement to make the event successful.

people. As an educational institution, a major component of our Outreach activities is education along with raising awareness. We conducted activities for the children which fell under the age group 7 - 8 years.

Our students conducted various activities like yoga, physical exercise, and oratory competition to bridge the gap in services provided by official/governmental sources and non-profit organizations.

We periodically undertake such social outreach programs and document them, to spread awareness and share positive reinforcement in the society and amongst children.

The program ended with positive feedback by the principal and teachers of the school.

# Vaccination Drive Report

Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus. Most people who fall sick with COVID-19 will experience mild to moderate symptoms and recover without special treatment. However, some will become seriously ill and require medical attention. The first confirmed case of COVID-19 in India was reported in the southern state of Kerala on 30.01.2020, of a 20-year-old female returning from Wuhan. Sixteen months later, the reported cumulative case count stands at 2.83 Crores.

Getting vaccinated against COVID-19 can lower your risk of getting and spreading the virus that causes COVID-19. Vaccines can also help prevent serious illness and death. When you are up to date on COVID-19 vaccination, you can resume many activities with proper precautions (e.g., mask wearing in indoor public spaces).

To make the vaccine available to all the staff members and students of Mahatma Education Society's Pillai HOC College of Arts, Science and Commerce, Rasayani a vaccination drive was conducted. This drive was carried out on July 15 & July 17. Through this vaccination drive staff members and students were vaccinated with Covid-19 vaccine shots. Doctors and medical staff have played an important role to make this drive successful one. NSS volunteers of our college also gave their selfless support for this noble cause.

**Report on 'A one day visit to SuhitJeevan Trust's Sumangal School, Pen**

Social awareness cell of PHCASC organised a one day visit to SuhitJeevan Trust's Sumangal School, Pen on 18<sup>th</sup> August, 2017.

A team of 30 students reached at school around 11:00 am. There were different stuffs created by those children which were really amazing to see. Some of them were doormats, toys, hand-made paintings, decorative articles etc. Those children really made us to realise that how lucky we are and also made us to recognise their talent.

Students had a great session, they played different games with those children. At the end there principal and president Dr .Surekha Patil on behalf of their whole school told us about the school, also some of our students expressed their views.
