**A brief report: A Talk by Alumni**

Department of B.Com organised A Talk by Alumni. Alumni Sonukumari Mali and Shivani Shelar who had been graduated in 2018 were the guest alumni. Both are employed in CAMS at present as in capacity of 'Business Support Officer'. The objective of the talk show was to enlighten the students about the promising finance field for fresh graduates.

They guided the students to make a way to be in finance field successfully. They informed the students about NISM and the examinations held by them. In today's finance field these exams are crucial to function in finance area. They discussed the opportunities and challenges in this career.

They highlighted the relation between the efforts and rewards. They emphasised the need and ample opportunities for career planning and development. Queries were also resolved by them. The interactive session was also full of knowledge.

B com, BAF and BMS students attended the talk show. All the students were interested to plan finance career after the event. The event ended with formal vote of thanks.
