<b>Number of participants benefited:-</b>	41
<b>Report:-</b>	Department of Arts in collaboration with Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science and Commerce (PHCASC),

	<p>Rasayani, has organised a webinar on Introduction to Photography - A Picture Perfect Moment. The objective of the webinar was to introduce students to the new media age of information and technology. Photography can inspire us to travel, enjoy life, and celebrate the moments. Taking pictures inspires us to have the desire to experience more. However, just clicking pictures does not suffice. If we are passionate, we can make a career out of it. It requires a certain set of skills and an artistic perspective. Taking into consideration the above factors we conducted a webinar as a part of an alumni initiative and invited our alumni who have marked their career in the field of photography. Through this webinar, the alumni discussed with students the technicalities in photography and how to refine their skills in order to make a career in the field of photography. It was an interactive session. The session ended with positive feedback and a formal vote of thanks.</p>
