Report on Expert Lecture on UPSC/MPSC Examination

The Union Public Service Commission (UPSC) is India's central agency authorised to conduct various competitive examination for various civil service vacancies in government of India. As the UPSC is one of top competitive exams of India, the students should be made aware of to get a clear mindset throughout the preparation process. Taking these factors into consideration, our college organised an expert lecture on preparatory methods and motivation to crack UPSC/PPSC examination for the students by Mr. Anwar Patel, Lecturer at Pillai HOC, Polytechnic, Rasayani on 11th July, 2017.

The speaker addressed the audience and started off with the importance of about one of the most competitive and prestigious exams, civil services, along with a number of competitive exams to fill-in various civil service vacancies for the government of India is conducted by the Union Public Service Commission. The speaker explained that the UPSC conducts the Civil Services Examination (CSE), in two phases namely- UPSC Prelims and UPSC Mains. The general idea of prelims exam comprising objective-type questions and the questions in mains as descriptive and essay-type answers were given. The suggested methodology to prepare for the mains was to be done by studying the syllabus and previous year's questions. He asked the students to prepare notes for each topic wherein they can add even current affairs related to the topic by following newspaper every day. To be prepared for current affairs well, when a question comes up, students should be able to recollect relevant news and can mention those details in the required answers. The expert lecture was also given on "Personality Test", the objective of which is to assess the personal suitability of the candidate for a career in public service by a board of competent and unbiased observers. The test is intended to evaluate the mental calibre of a candidate.

The session concluded with the suggestion that in order to crack the examination, one should study smart. For this, the aspirant should divide the subjects into manageable chunks. The students were well inspired and extremely thankful for an informative guidance for their future career prospects.
