Report:-	Historia Clava (History Club) in association with the Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science, and Commerce, Rasayani successfully conducted a visit to Chhatrapati Shivaji Maharaj Vastu Sangralaya and RBI Museum, Fort on January 29, 2023. This visit was organized for the FY, SY, and TY BA students. A total of 17 students and 02 teachers participated in the same. The Head of the Department (History), Keekan Priyesh Raghavan, and another History faculty, Mr. Sudhir, accompanied the students. It was the first program held under the newly formed club. The idea behind organizing this event was to enrich students' experience and outlook toward applied history as a flourishing field. The students first visited the RBI Museum at around 10:30 am, where they got a systematic idea of how the money got its shape and status after years of experimentation and circulation. The Money from ancient India till the present was what they learned in the process. They were also shown a twenty minutes video by the museum authorities to enhance the understanding of the student community. It had coins from Ancient, medieval, and modern India too. After a sumptuous lunch, the caravan reached Chhatrapati Shivaji Maharaj Vastu Sangralaya, formerly known as Prince Wales Museum at fifteen minutes walking distance from RBI Museum at Fort area in CST. The visit catered to the fields such as paintings, numismatics, epigraphy, weapons, natural history, photography, space, pottery, Egyptian artifacts, sculptures, and many more. They all departed for their home around 4:30 pm. Such was a learning experience that the students will carry with them those memories for the rest of their lives. The entire team of Historia Clava would like to extend our deepest gratitude to our principal Dr. Lata Menon and the Head of the Department of Arts, Mr. Sujith Babu for wholeheartedly

	encouraging this endeavor.

Report:-	An industrial visit was organized by Pillai HOC College of Arts, Science and Commerce, Rasayani to IIIT (International Institute of Technology), Pune for the students of SY BSc Data Science on February 16, 2023. The visit aimed to provide practical exposure to the students and allow them to witness the functioning of an educational institution renowned for its excellence in technology and research. In all **06** students and **1** teacher participated for the same. **Objectives of the Visit:** The visit had the following objectives: 1. To expose the students to the world-renowned institution dedicated to the pursuit of technology and research. 2. To gain knowledge about the latest technological advancements. 3. To understand the role of research and development in the field of technology. **Visit Details:** On reaching the site, the students were greeted by the officials of IIIT who gave them a brief introduction about the institution and its focus on technology and research. The students were taken on a tour of the institute's various corners. They were shown laboratories and research centres. The students were amazed by the modern infrastructure and facilities of the institute. The officials also explained the various research projects being undertaken by the institute, ranging from nanotechnology to artificial intelligence. The students were then taken to labs where they learned about various applications of the technologies and the practical implementation of theoretical concepts. The faculty shared their knowledge and experiences with the students and encouraged them to pursue their interests in the field of technology. **Conclusion** The industrial visit to the International Institute of Technology was a great success. The visit helped the students to understand the role of research and development in technology and the importance of the latest technologies in practical applications. The interactive session with the faculty of the institution helped the students to gain insights into the field of technology

	and inspired them to pursue their interests in the field. The visit was an enriching experience for the students and will help them in their academic and professional pursuits. The entire team of BSc DS would like to extend our deepest gratitude to our principal Dr. Lata Menon and Vice Principal, Mr. Binit Kumar for whole heartedly encouraging this endeavour.
