Alumni Policy Statement

Introduction

Alumni contribution is a widely acclaimed practice that enables institutions and students to have a collaborative effort to build institutional value for quality education. It provides various opportunities for students to initiate other academic pursuits. Former students' first-hand knowledge aids in the formation of institutional bonds and sharing their knowledge to assist academic students in understanding various curricula through workshops and guest talks.

The alumni are able to provide real-world connections to the university and are thus able to make the university stakeholders more "world-ready." This aspect of alumni involvement provides the opportunity to all interested alumni to be engaged with the university, irrespective of their professional and financial successes. Another major visible activity of the alumni is providing donations to the institution. The donations can be of any size and can be either directed towards a specific activity or to support a range of activities. There are a number of prerequisites for seeking major donations to the college.

The Alumni Contribution Policy helps to provide all departments and units with consistent language and operating principles as they relate to alumni relations. It also provides a structure for how college-recognized alumni and donor groups may be developed. This will help the institution to ensure efforts to engage alumni are efficient, aligned with overall advancement and college goals, and provide a uniformly positive experience for alumni.

Aims & Objectives :

1. To foster close relationships between Alumni and the college.
2. To encourage the formation of Alumni Chapters as a means to increase participation of Alumni.
3. To recognize and identify the role of our Alumni as important stakeholders in the continuing quest to provide excellence in education by way of academic and technical collaborations.
4. To organize socio-cultural events and interactions between Alumni and current academic students.
5. To realize the enormous benefits that may come from the engagement of Alumni with the college and seek their support in identifying strategic directions for academic excellence.
6. It can provide crucial benefits in enriching the students' experience while being at the college.
7. To provide opportunities to Alumni to be involved in College activities such as graduation, public lectures, scientific conferences, sports and cultural activities, curricula reviews, College linkages with industry, etc.
8. To Update alumni with the latest developments.

9. To undertake to organize activities of a civic or charitable nature, as also to increase public awareness of the role of technology in value addition in the economic and social development of the nation.

Constitution of Alumni Association

"Pillai HOC College of Arts, Science and Commerce Alumni Association", Khalapur Rasayani, District Raigad was registered on 29th March 2017. All members of the committee are affiliated to the institute. Following are the details of the association members, their designation and responsibilities:

President:

The President oversees the Alumni Association's organization and affairs, is responsible for keeping members informed on committee matters, presides over all committee meetings, and represents the Association in its dealings with external parties. Any person serving in this position will be holding it for a period of five years.

Secretary:

The Secretary keeps all records relating to the Alumni Association, except those relating to financial matters, and is responsible for their accuracy. Whoever is in this post, will keep minutes of all meetings and provide copies to the Alumni Relations Office for record keeping, and also will maintain an up-to-date membership list at all times.

Treasurer:

The Treasurer will keep all funds and collect and disburse them on behalf of the Alumni Association, and will keep an account of all monetary transactions and will be responsible for their correctness. The person in this position will submit a Treasurer's report at meetings of the Executive Committee.

Faculty Coordinator:

A faculty coordinator gets assigned to oversee all student committee members. The faculty coordinator gets assigned each academic year to foresee student committee members.

All committee members

The committee will consist of alumni representatives of various Programmes. The committee members are the ones who initiate and organize the alumni events. New committee members will be elected in each year within the five years.
