Report:-	<p>On December 18, 2023, students pursuing B.A. and BAMMC at Pillai HOC College of Arts, Science, and Commerce embarked on a captivating journey with an insightful visit to the Film and Television Institute of India (FTII) and the Agha Khan Palace Museum in Pune. This excursion aimed to immerse students in the practical facets of the film and television industry while also delving into the historical significance of the Agha Khan Palace Museum.</p> <p>The day commenced with an engaging session at FTII, a renowned institution for film education. Students were treated to an illuminating tour of cutting-edge facilities, including sound studios, editing suites, and production sets. Meaningful interactions with faculty members and industry professionals enhanced the students' comprehension of various aspects of film production, direction, and cinematography.</p> <p>Following the enriching visit to FTII, the group proceeded to the Agha Khan Palace Museum, an architectural gem with historical and cultural importance. Constructed in 1892, the palace served as a prison for Mahatma Gandhi and his associates during the independence movement. Students explored the museum's historical artifacts, serene gardens, and gained profound insights into the palace's pivotal role in India's struggle for freedom.</p> <p>This industrial visit proved to be a transformative experience for the B.A. and BAMMC students, expanding their understanding of the film and television industry while fostering a deep appreciation for the historical events associated with Agha Khan Palace.</p> <p>The success of this industrial visit owes much to the collaborative efforts of the college faculty and the respective authorities at FTII and Agha Khan Palace Museum, Pune.</p>

Report:-	<p>An industrial visit was organized by Pillai HOC College of Arts, Science and Commerce, Rasayani at Software Technology Park of India (STPI), Pune for the students of FY, SY and TY BSc Data Science on December 08, 2023.</p> <p>The visit aimed to provide practical exposure to the students allowing them to witness the functioning of an IT Industry infrastructure and management. STPI transformed the country into a software product nation as envisaged in the National Policy on Software Products. They promote micro, small and medium entrepreneurs by creating a conducive environment for entrepreneurship in the field of IT / IT Enabled Services.</p> <p>There were 86 students and 4 faculty members participated for the same.</p> <p>Objectives of the Visit: The visit had the following objectives:</p> <ol style="list-style-type: none"> 1. To expose the students to the government owned IT company which would help to provide data communication services including value added services to IT / IT Enabled Services related industries. 2. To gain knowledge about development and export of software and software services including Information Technology. 3. To undertake other export promotional activities such as technology assessments, market analysis, market segmentation as also to organize workshops/exhibitions/seminars/conferences etc.. <p>Visit Details: On reaching the site, the students were greeted by the officials of STPI who welcomed them and gave them a brief introduction about the company and instructed all the rules and regulations.</p> <p>The faculties met the director of the STPI Pune, Shri Surya Kumar Pattanayak who met the faculties very nicely and provided some insights for the betterment of the students.</p> <p>The students were divided into two groups for ease of convenience to make them understand all the concepts. The students were taken to the Networking and Hardware Department first, over there; the Network Expertise explained how an IT company should setup their hardware and networking architecture for start-up companies in India. They also showed their server which were running live 24x7.</p>

After this the students were taken to the incubation centre where they explained on how to promote the development and export of software and software services including Information Technology. They also provided data communication services including value added services to IT / IT Enabled Services related industries for micro, small and medium entrepreneurs by creating a conducive environment for entrepreneurship in the field of IT / IT Enabled Services. They focused on how to deliver comprehensive services including project approvals, import attestation, software export certification etc., within a time-bound manner to boost countries' export growth.

Later the director Shri Surya Kumar Pattanayak gave a brief presentation on the foundation of STPI Pune beginning from the history and how it continued and achieved its excellence. Sir also put light on how industries work towards the advancement of the technology industry, introduction and encouragement of emerging technologies to meet customer requirements in ever-changing markets in India and abroad.

The Expertise shared their knowledge and experiences with the students and encouraged them to pursue their interests in the field of technology.

Conclusion

The industrial visit to the Software Technology Park of India (STPI), Pune was a great success. The visit helped the students to understand the primary objective which is to promote the development and export of software and software services including Information Technology (I.T.) Enabled Services. The interactive session with the students helped them to gain insights into statutory and other promotional services to the exporters by implementing Software Technology Park/ Electronics and Hardware Technology Park Schemes and other such schemes which may be formulated and entrusted by the Government from time to time.

The visit was an enriching experience for the students and will help them in their academic and professional pursuits. The session ended and students were taken to lunch to a nearby restaurant. After the Lunch the students were taken to Mapro Garden at Lonavala where they enjoyed the greenery and had fun with their friends.

The entire team of BSc DS would like to extend our deepest gratitude to our principal Dr. Lata Menon and Vice Principal, Mr. Binit Kumar for whole heartedly encouraging this endeavour.

Report:-	<p style="text-align: center;"><u>ONE DAY FIELD VISIT</u></p> <p>Pillai HOC College of Arts, Science & Commerce, On Friday, December 08, 2023 First Year Bcom(A&F) students visited AMUL DAIRY, SHAHPUR.</p>

105 Students from First Year Bcom(A&F) got the opportunity to observe the functioning of manufacturing unit and how the unit works. The students viewed the Milk and Curd plant functioning.

AMUL DAIRY is an Indian state government cooperative under the ownership of Gujarat Cooperative Milk Marketing Federation, Ministry of Cooperation, Government of Gujarat based at Anand in Gujarat. Formed in 1946, it is a cooperative brand managed by the Gujarat Cooperative Milk Marketing Federation Ltd. (GCMMF), which today is jointly controlled by 36 lakh (3.6 million) milk producers in Gujarat, and the apex body of 13 district milk unions, spread across 13,000 villages of Gujarat. Amul spurred India's White Revolution, which made the country the world's largest producer of milk and milk products. The word "Amul" is derived from Sanskrit word 'Amulya' which means 'priceless' or precious, a name proposed by then founding leader of Agriculture College, Maganbhai Patel.

Products are highly appreciated in the market for their excellent features as well as cater to the needs of various industries efficiently.

Vast range of dairy product includes:

- Milk
- Lassi
- Paneer
- Curds

Also pasteurization and packaging methods were shown

The trip ended at 3:00pm and we all were back at campus by 7:00 pm.

Objectives of the Visit :

- Gained practical Knowledge about the Manufacturing & process involved in Amul company.
- Understand the role of Amul Company in the Industry Sector.

Overall this was a very insightful experience for students and it will encourage students to pursue entrepreneurship and contribute for the betterment of the society.
