## Report:-

### Introduction:

Pillai HOC College of Arts, Science, and Commerce celebrated International Yoga Day on June 20 with great enthusiasm and participation. The event aimed to promote the physical, mental, and spiritual benefits of practicing yoga and to raise awareness about its importance in maintaining a healthy lifestyle. The event took place on the college campus and witnessed active participation from students, faculty, and staff.

### Event Highlights:

- **Inauguration and Keynote Address:** The event commenced with an inauguration ceremony featuring a keynote address by Mr. RP Yadav. He emphasized the ancient origins of yoga and its relevance in modern times. He discussed how yoga can be a powerful tool for achieving holistic health and balance in life.
- **Expert Workshop by Mr. RP Yadav:** The highlight of the event was a special workshop conducted by Mr. RP Yadav himself. He led participants through various yoga asanas, explaining their benefits and the correct techniques for practicing them. His in-depth knowledge and interactive teaching style engaged participants at all levels of expertise.
- **Yoga Philosophy and Lifestyle Talk:** Mr. RP Yadav delivered a comprehensive talk on the philosophy underlying yoga. He discussed the eight limbs of yoga and how they offer a holistic approach to life. He also emphasized the importance of adopting a yogic lifestyle beyond the mat.
- **Pranayama and Meditation Session:** A dedicated session on pranayama (breath control) and meditation was conducted by Mr. RP Yadav. Participants learned different breathing techniques to enhance their lung capacity and calm their minds. The meditation session focused on achieving mental clarity and inner peace.
- **Question and Answer Interaction:** Mr. RP Yadav engaged with the participants in an open Q&A session. Attendees had the opportunity to clarify doubts, seek guidance on their personal practice, and gain insights from his vast experience.
- **Patanjali Yoga Demonstration:** Mr. Yadav and his team performed a captivating yoga demonstration that showcased the prowess of advanced yoga practitioners. The demonstration included intricate asanas, impressive balancing acts, and displays of flexibility that left the audience in awe.
- **Group Yoga Practice:** The event concluded with a mass yoga practice session led by Mr. RP Yadav. Participants came together to perform a sequence of yoga asanas under his guidance. This collective practice created a sense of unity and harmony among the attendees.

### Impact:

The International Yoga Day celebration at Pillai HOC College left a positive impact on the participants. It not only provided them with valuable insights into yoga but also encouraged them to incorporate yoga into their

daily lives. Many participants expressed their interest in continuing their yoga practice after experiencing its physical and mental benefits firsthand.

The International Yoga Day celebration at Pillai HOC College of Arts, Science, and Commerce was a resounding success. The event succeeded in raising awareness about the importance of yoga and its potential to enhance well-being. By bringing together students, faculty, and staff, the event fostered a sense of community and unity, contributing to the holistic development of all participants.

To commemorate International Yoga Day 2023, **The Soroptimist Welfare Association (SWA)** in association with the Women Development Cell (WDC) of Pillai HOC College of Arts,

Science, and Commerce, Rasayani successfully organized Yoga Shivar for all the students.

Every year on June 21, the globe celebrates International Yoga Day to bring attention to this age-old discipline and to recognise the benefits yoga has had on people's physical and spiritual well-being. Yoga is a practise that is effective for calming the body and mind and enhancing one's immune system.

The event's resource person was chief yoga instructor Mr. Ram Palat Yadav, a former navy officer who is currently employed by Patanjali. At 10:30 am, the event began with the lighting of the lamp by Dr. Lata Menon, the principal and the resource person.

All of the students participated in warm-up activities and practised both sitting and standing asanas while simultaneously hearing explanations of their significance. The event concluded by 12:30 pm with a formal vote of thanks. This event was attended by 335 students across all streams thereby making it a grand success.

The Soroptimist Welfare Association (SWA) and the Women Development Cell (WDC) of Pillai HOC College of Arts, Science and Commerce, Rasayani jointly organised a workshop titled "Exploring Mental Health of Females" on March 11, 2024 on the occasion of International Women's Day. The resource person for this event was Ms. Bushra Ansari (Assistant Professor, Motivational Speaker, Soft Skills Trainer). This workshop was a fun and interactive attempt at discussing the factors resulting in stress. This workshop was joined by both faculty members and students. It focused on societal pressures affecting women's mental health in order to stand up to societal expectations, which leads to unnecessary stress. The workshop began with understanding that "Learning" is a combination of the 3A's (Attendance, Attention, Absorption). It also compelled the participants in exploring their identities and personalities, further suggesting that we all have a kid, a teenager and an adult inside us. And how each one of us suppresses their needs and desires based on where and who we are with. It also dwelled in the realms of first impression and expression and how one focuses on others perceptions and that can hamper their thought processes and mental well being. It puts a spotlight on how one can become a great individual when they refrain from doubting their abilities.

Lastly the workshop addressed crisis management with 3Ps (Patience, Positivity, Problem Solving), feeling confident and satisfied with oneself. The session was interactive and encouraged all the members to acknowledge themselves for their abilities without succumbing to societal pressures and expectations. The session aligned with goal three (Good Health and Well-being) of the UN's Sustainable Development Goals.

# BRIDGE COURSE REPORT

## 2023 - 24

### About College:

Pillai HOC College of Arts, Science and Commerce, Rasayani was established in the year 2008 by Dr. K.M. Vasudevan Pillai, Chairman and CEO, MES whose vision was to provide students of Rasayani with quality education in a high-tech atmosphere. It started off with just a handful of students, but today it has grown to a full-fledged Bachelor's College with ten disciplines, i.e.

B.A (Specialization-English, History, Economics), B.A. (Mass Media & Communication), B.Com. (Regular), B.Com (Accounting & Finance), B.M.S., B.Sc. (Computer Science) and B.Sc. (Information Technology), B.Sc. (Specialization-Physics, Chemistry, Mathematics, Biology) Master of Commerce in Accountancy (M.Com.), Master of Science in Information Technology (M.Sc. I.T.), Master of Science in Organic Chemistry (M.Sc. O.C.), Master of Science in Physics (M.Sc. Phy.).

Another salient feature is that even the classrooms are internationally designed for the teacher to co-ordinate with the students easily and efficiently. The college is located in Pillai HOCL Educational Campus at Rasayani in a multidimensional education campus which is surrounded by lush natural beauty and which has state-of-the-art infrastructure providing the right environment for learning.

Principal:

Dr. Lata Menon

In a safe and caring environment, we inspire and prepare young people to achieve their potential. Our college educates the whole mind, body and spirit of a student. We focus on each student's needs and talents. Our college conducts a short intensive Bridge Course for the First Year Students as soon as the semester commences. Students having minimal or no background of the subject/s offered in their course are aided by our teachers to bridge the gap between their previous knowledge base and the required current knowledge base. The students are identified those who did not have a previous background and (or) found the subject difficult to comprehend. The objective of the course is to analyze their level of understanding of the subject before the start of the curriculum and bridge the gap by enhancing their knowledge and bring them on par with the other students of their class.

We recognize that all our students have different talents and we strive to ensure that every student has an equal opportunity to find and develop the talents they possess. They are challenged in the classroom by pushing them to think beyond the obvious.

## MINUTES OF MEETING

17/07/2023

It was resolved that -

- To conduct Bridge Course - Accountancy (only for science students of BCOM/BMS), Mathematics, Economics, Communication Skills for First Year Students.
- The Bridge Course would be conducted for 7 days as soon as the students begin with their first semester of A.Y 2023-24.
- The approved time was to fixed as per the appropriate consideration by the Bridge Course Coordinator
- The members of staff who are to handle the were finalized and the list of the same is as follows.

Sr. No.	Name of the Subject	Name of the Faculty/ Dept.
1	Accountancy (only for science students of B.COM/BMS)	Dept of Accounts
2	Mathematics	Dept. of Mathematics
3	Basics of Computer	Dept. of IT/CS/DS
4	Communication Skills	Dept. of Communication

- The online assessment would be given in the last day of the bridge course.
- The submission date of the report was fixed within 3 days after the completion of the course.

The following subject matters were decided to be included in the report:

1. Methodology
2. Objectives

### **REPORT**

Bridge Course for Mathematics was conducted for the UG. degree students during the communicative hour for 7 days from July 17, 2023 to July 22, 2023 for BCOM, BMS, BSc, BSc IT, CS and DS students and for 7 days from November 28, 2023 to December 02, 2023 for BAF students. The members of Department of Mathematics handled the lectures the whole day from 10:00 am to 04:30 pm. Overall the bridge course was successful.

After the completion of the course an assessment was conducted for all the students.

### **Evaluation Report**

- Students recognize and understand generally accepted Basic principles and terms of Statistic.
- Understand and explain the relationship between the Mathematical equation
- Students understand the concept of derivative.
- Students can solve the examples on basic probability.

### **Evaluation Report**

- Students learn about Sentence formation, correct grammatical structure of the language.
- They can recognize the deviation in sentence structure.
- They learn to use the Parts of the speech accurately.
- They are able to adapt transactional and functional English.
- It helps them to build Vocabulary and improve their basic communication in English.

## Overall Overview of the Course

### Reflections on the course implementation and results

#### Course strengths

- Overall, classes and interactions with teachers were appreciated.
- According to student feedback, course structure worked well this year.

#### Course weaknesses

The Lecture method used by the teachers made the lectures monotonous and therefore faculties had to incorporate active learning strategies for better reception of the content.

#### Course Overview

The Bridge Courses Classes were taken in respective classroom. It helped to build a rapport with students and was a good start for the new academic year for the freshers. It further enabled them to grasp different perspectives of college education.
