Report:-	Report on "Books for Hope" a Book Distribution Activity Date: February 13, 2024

Time: 10:30 am to 1:30 pm

Activity Overview:

The Youth Red Cross (YRC) and the Department of Lifelong Learning (DLLE) of Pillai HOC College of Arts Science and Commerce, Rasayani, organized a book distribution activity aimed at promoting education in nearby Zilla Parishad schools. The initiative targeted the following two schools

1. Zilla Parishad School, Shivnagar Wadi
2. Konkan Education Society's Primary school, Mazgaon.

Objective:

The primary objective of the book distribution activity was to enhance access to educational resources among students from underserved communities. By providing books directly to the students, the organizers aimed to support their academic endeavors and foster a culture of lifelong learning.

Impact:

The initiative successfully reached a total of **148 beneficiaries** across the two schools. By equipping these students with educational materials, the organizers hope to contribute towards their academic growth and overall development.

Acknowledgment:

We extend our heartfelt gratitude to all the volunteers, donors, and supporters who contributed to the success of this initiative. Their dedication and generosity played a crucial role in making this book distribution activity possible.

Report:-	<p>Institutional Social responsibility and Department of Chemistry in association with Internal Quality Assurance cell (IQAC) of Pillai HOC college of Arts, Science and Commerce, Rasayani had organized an event “Chemkonscio” on the occasion of International Literacy Day</p> <p>The objective of International Literacy Day is to raise awareness about literacy and its importance among individuals, communities, societies across the world. It is not only to combat illiteracy but also to use it as a tool to empower individuals as well as the whole community. The main aim is to highlight the importance of literacy as a fundamental human right and the foundation for lifelong learning.</p> <p>On this occasion numerous live experiments were organized by the department of chemistry to promote literacy , raise awareness and address global challenges of illiteracy. These live experiments help students to strengthen theoretical concepts. These initiatives have the potential to make a significant impact in reducing illiteracy rates and promoting a culture of lifelong learning.</p> <p>We would like to thank all student participants for participating in this activity and faculty members for making this event a grand success. We also thank our Principal Dr. Lata Menon for her encouragement and support.</p>

Number of participants	210

Report:-

The Institutional Social Responsibility (ISR) and the *Women Development Cell (WDC)* of *Pillai HOC College of Arts, Science, and Commerce, Rasayani*, jointly organized a seminar titled *"Human Rights Violation and Its Remedies"* on *December 11, 2023*. This event is in accordance with the *"16 Days of Activism,"* highlighting our commitment to addressing issues related to human rights and promoting awareness and remedies within the college community.

Dr. Amitabh Sampatrao Gawale led a seminar on "Human Rights Violation and Remedies," exploring global and Indian contexts. Illustrating the universal nature of human rights, he connected them with specific constitutional articles and relevant sections of the Indian Penal Code. Real-life case studies were discussed, fostering an interactive session that empowered participants to understand the complexities of human rights challenges and their legal remedies. The seminar successfully bridged the gap between theory and practical application, providing a holistic view in a concise format. The session aligned with goal five & sixteen (Gender Equality & Peace, Justice and Strong Institutions) of the UN's Sustainable Development Goals.

Report:-	<p>“There is hope, even when your brain tells you there isn’t.” — John Green</p> <p>On account of World Suicide Prevention Day, the Soroptimist Welfare Association (SWA) and the Women Development Cell (WDC) of Pillai HOC College of Arts, Science and Commerce, Rasayani jointly organized a guidance session titled “Creating Hope through Action” on September 11, 2023.</p>

Ms. Komal Haware, Clinical Psychologist, RCI Certified Counsellor with over 12 years of experience was the speaker of the session. The event commenced with an introduction to World Suicide Prevention Day and its global significance. The theme, "Creating Hope Through Action," was introduced to set the tone for the session. Participants were made aware of the critical role they play in addressing this pressing issue. The concept of hope as a driving force for change was explored. Participants learned how hope can play a crucial role in recovery and healing. The importance of seeking professional help and the role of counselling and therapy in restoring hope was emphasized. Participants were encouraged to take action at the individual level through self-care practices and seeking help when needed. The significance of building strong community support networks and reducing the stigma around mental health was highlighted. Advocacy efforts for mental health awareness, improved access to mental health services, and supportive policies were discussed as essential actions. Information about local and national mental health resources, crisis helplines, and support organizations was provided to participants. They were equipped with knowledge on how to help someone in crisis and how to access professional assistance. The session concluded with a summary of key takeaways, emphasizing the ongoing efforts required for suicide prevention and mental well-being. The session aligned with goal three(Ensure healthy lives and promote well-being for all at all ages) of the UN's Sustainable Development Goals.

Report:-

The 57th A.D. Shroff Memorial Elocution Competition organized by the Faculty of Arts and Economics Club in association with the Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science, and Commerce, Rasayani is a prestigious event that has been held annually since 1965. This competition is dedicated to the memory of Mr. A.D. Shroff and aims to encourage college students to explore and express their thoughts on economic and related topics while honing their public speaking skills.

Around 22 students from various streams registered for and participated in the competition, and they were given three thought-provoking topics to choose from:

1. Is the Indian Rupee Ready to Emerge as a Global Reserve Currency, and What Steps Should the Government Take to Achieve This Goal?
2. Is the Indian Economy on Track to Becoming a \$5 Trillion Economy by 2025?
3. Is Unemployability a Bigger Problem than Unemployment? Recent Steps to Skill India?

A total of 8 participants were selected to compete in the final round, where they presented their speeches in front of a panel of three judges. The judges for the event were:

- Ms. Suma Lalit (PHCET)
- Mr. Binit Kumar (PHCASC)
- Dr. Babita Panda (PHCASC)

The competition began with a welcome speech and the recitation of Saraswati Vandana. Following this, the elocution competition commenced, allowing the participants to share their insights and perspectives on the chosen topics.

The event concluded with a formal vote of thanks, where gratitude was expressed to all the participants, judges, and attendees for their contributions and support. Subsequently, prizes were distributed to the deserving participants, acknowledging their excellence in public speaking and their ability to critically analyze and discuss economic issues.

This competition serves as a platform for young minds to engage in meaningful discussions on important economic matters, fostering their intellectual growth and communication skills while honoring the memory of Mr. A.D. Shroff.

Report:-	<p>“Your mental health is everything — prioritize it. Make the time like your life depends on it because it does.” — Mel Robbins</p> <p>On account of World Suicide Prevention Day, the Soroptimist Welfare Association (SWA) and the Women Development Cell (WDC) of Pillai HOC College of Arts, Science and Commerce, Rasayani jointly organized a guidance session titled “Empowering Minds: Strategies of Suicide Prevention and Mental Well-being” on September 11, 2023.</p>

Ms.Ipsita Chatterjee, founder/CEO of “Thehraav.....ठेहराव” and a psychologist was the speaker at the event. She has been a practitioner and researcher in the area of psychotherapy and mental health for about 7 years.

The event opened with an introduction to the theme, emphasizing the importance of addressing mental health issues within the college community. The event's goal was to provide students with practical strategies to support their mental well-being and that of their peers. Attendees were encouraged to make personal commitments to prioritize their mental health and take proactive steps in supporting their peers. The event emphasized the role of college students in advocating for improved mental health services on campus. The event concluded with a call to action, encouraging students to apply the strategies and knowledge gained during the event in their daily lives. Participants left with a deeper understanding of suicide prevention and mental well-being and a sense of empowerment to make a difference within their college community.

The session aligned with goal three(Ensure healthy lives and promote well-being for all at all ages) of the UN’s Sustainable Development Goals.

Report:-	<p>The Institution Social Responsibility Cell in association with the IQAC of Pillai HOC College of Arts, Science and Commerce had organised a visit to Karuneshwar Old Age Home in Waje taluka on 23rd October 2023 at 11 am. The lead teachers were Asst. Professors Dr Sulochana, Ms Rachana and Mr Priyesh. There were around 20 students too who attended the old age home. The old age home housed around 50 people, who were from different strata of society. Their enthusiasm and good hearted spirit overwhelmed the onlookers. One could see the sparkle in their eyes when they saw someone was visiting them and ready to spend their time with them. The students enthusiastically participated in this event. Some played garbha to entertain them. This was indeed a great experience one could have fetched in their entire life. There were some goods in the form of sugar, detergent, apples and dry fruits given to them. At the outset the committee acknowledges the teaching fraternity who helped monetarily to make this process happen. This was a very small initiative that the committee took to encourage the young minds to tilt towards the benevolent act of servitude towards society. The committee promises to come up with more such activities in the near future too.</p>

Report:-	<p style="text-align: center;">Institutional Social responsibility (ISR), in association with Internal Quality Assurance cell (IQAC) of Pillai HOC college of Arts, Science and Commerce, Rasayani had organized a Visit to Rajashray old age home on the occasion of “National nutrition week”.</p> <p>The objective of this event is To know the service and facilities provided to them. To make them feel special and to make them happy and bring smiles on their faces. The Visit to old age home event was held on the occasion of “National nutrition week” on September 5, 2023 at Rasayani. We undertook a noble initiative to provide food distribution services to the old age Home. It not only fulfilled its objectives but also demonstrated the importance of community engagement and social responsibility in nurturing a healthier and more compassionate society. Such initiatives serve as a shining example of how educational institutions can make a meaningful impact on their communities. We would like to thank all students and faculty members for participating in this activity and making it a success. We also thank our Principal for her encouragement and support.</p>

Report:-	Report on Fruit Distribution in Old Age Home and ZP School in

Nutrition Week

Date: September 5, 2023

Introduction:

The Youth Red Cross (YRC) and Institutional Social Responsibility (ISR) Committee of Pillai HOC College of Arts, Science, and Commerce organized a special event to mark Nutrition Week. As part of our commitment to social responsibility and community engagement, we conducted a fruit distribution program in an old age home and a Zilla Parishad (ZP) school. The event aimed to promote healthy eating habits and provide nutritious snacks to the elderly residents of the old age home and the young students of the ZP school.

Event Details:

Date and Time: The event took place on September 5, 2023, from 1:00 PM to 4:00 PM.

Venue 1: Old Age Home -

Venue 2: ZP School -

Activities:

1. Preparation: Prior to the event, our committee members coordinated with the authorities of both venues to ensure a smooth execution of the program.

2. Distribution at Old Age Home: At the old age home, our team members interacted with the residents, listened to their stories, and shared moments of joy. Each resident received a plate of mixed fruits.

3. Distribution at ZP School: At the ZP school, we conducted an interactive session on the benefits of eating fruits. We engaged the students in fun activities such as fruit trivia quizzes and explained the nutritional value of the fruits being distributed.

Impact and Benefits:

1. Promotion of Healthy Eating: The event encouraged healthy eating habits among both the elderly residents and young students, emphasizing the role of fruits in maintaining good health.

2. Community Engagement: It fostered a sense of community engagement and social responsibility among the college students involved in organizing the event.

3. Joy and Interaction: The event brought smiles to the faces of the elderly residents and young students, promoting a positive atmosphere in both venues.

Conclusion:

The Fruit Distribution program during Nutrition Week organized by the YRC and ISR Cell of Pillai HOC College of Arts, Science, and Commerce was a successful initiative. It not only promoted healthy eating habits but also fostered a sense of community and social responsibility among the college students. We hope to continue such initiatives in the future, contributing to the well-being of our community.

We extend our heartfelt gratitude to all those who supported and participated in this event, making it a memorable experience for everyone involved.

Report:-

ISR and NSS unit in association with Internal Quality Assurance cell (IQAC) of Pillai HOC college of Arts, Science and Commerce, Rasayani had organized an Activity for Essential distribution for affected people in Irshalwadi.

A devastating landslide has struck our neighborhood community Irsalwadi leaving many families homeless and in desperate need of assistant. At least 35 families had lost their lives and hundreds of people were homeless as the record breaking rainfall in the surrounding area caused the worst landslide ever in Irsalwadi. In this devastating situation, we distributed packed food to the affected people. This was the time to stand together in the name of humanity.

We thank our Principal, Dr Lata Menon, for inspirational words during the address. We are also grateful to our Vice Principal, Mr Binit Kumar and to all our colleagues for their cooperation to make the event successful.

Report:-	<p>The Faculty of Arts and Internal Quality Assurance Cell of Pillai HOC College of Arts, Science & Commerce, Rasayani organised a session titled "Commemoration of the Indian Army day 2024' on 15th January 2024. It was a grand success with Major (Rtd.) Vivek Bodas presiding over the event. The day started with the Quiz that tested the student knowledge base in Indian Defence forces which was followed by the Documentary screening which brought in a spirit of patriotism to our students. The interactive session that Our Guest of honour had with our students was very informative and gave the students the right direction in building a career in the Armed forces. His anecdotes filled with his experiences in Kargil war-front was indeed an eye-opener to all of us.</p>

The students got the take home that Discipline and maintaining decorum are precious like our two eyes and have to be upheld in their daily lives.

The event concluded with the valedictory session with award distribution to prize winners of the quiz competition. To sum it up it was a day of offering our salutations to the defence personnel who safeguard our Borders so that we should focus on nation building.

Introduction:

Pillai HOC College of Arts, Science, and Commerce celebrated International Yoga Day on June 20 with great enthusiasm and participation. The event aimed to promote the physical, mental, and spiritual benefits of practicing yoga and to raise awareness about its importance in maintaining a healthy lifestyle. The event took place on the college campus and witnessed active participation from students, faculty, and staff.

Event Highlights:

- **Inauguration and Keynote Address:** The event commenced with an inauguration ceremony featuring a keynote address by Mr. RP Yadav. He emphasized the ancient origins of yoga and its relevance in modern times. He discussed how yoga can be a powerful tool for achieving holistic health and balance in life.
- **Expert Workshop by Mr. RP Yadav:** The highlight of the event was a special workshop conducted by Mr. RP Yadav himself. He led participants through various yoga asanas, explaining their benefits and the correct techniques for practicing them. His in-depth knowledge and interactive teaching style engaged participants at all levels of expertise.
- **Yoga Philosophy and Lifestyle Talk:** Mr. RP Yadav delivered a comprehensive talk on the philosophy underlying yoga. He discussed the eight limbs of yoga and how they offer a holistic approach to life. He also emphasized the importance of adopting a yogic lifestyle beyond the mat.
- **Pranayama and Meditation Session:** A dedicated session on pranayama (breath control) and meditation was conducted by Mr. RP Yadav. Participants learned different breathing techniques to enhance their lung capacity and calm their minds. The meditation session focused on achieving mental clarity and inner peace.
- **Question and Answer Interaction:** Mr. RP Yadav engaged with the participants in an open Q&A session. Attendees had the opportunity to clarify doubts, seek guidance on their personal practice, and gain insights from his vast experience.
- **Patanjali Yoga Demonstration:** Mr. Yadav and his team performed a captivating yoga demonstration that showcased the prowess of advanced yoga practitioners. The demonstration included intricate asanas, impressive balancing acts, and displays of flexibility that left the audience in awe.
- **Group Yoga Practice:** The event concluded with a mass yoga practice session led by Mr. RP Yadav. Participants came together to perform a sequence of yoga asanas under his guidance. This collective practice created a sense of unity and harmony among the attendees.

Impact:

The International Yoga Day celebration at Pillai HOC College left a positive impact on the participants. It not only provided them with valuable insights into yoga but also encouraged them to incorporate yoga into their

daily lives. Many participants expressed their interest in continuing their yoga practice after experiencing its physical and mental benefits firsthand.

The International Yoga Day celebration at Pillai HOC College of Arts, Science, and Commerce was a resounding success. The event succeeded in raising awareness about the importance of yoga and its potential to enhance well-being. By bringing together students, faculty, and staff, the event fostered a sense of community and unity, contributing to the holistic development of all participants.

Report:-	Department of Physics and Nature's Club in association with Internal Quality Assurance Cell (IQAC) of Pillai HOC College of Arts, Science and Commerce, Rasayani successfully organised an online talk titled "Green

Hydrogen -The Clean Fuel of Future" to observe International Clean Energy Day (January 26) on January 25,2024, in conclave I.

The programme started at 11.10 am with a welcome address and a brief introduction about the keynote speaker **Dr. Sterlin Leo Hudson M** by Dr. Vineetha P, assistant professor of physics. Then, Dr. Sterlin Leo Hudson M began his presentation explaining what clean energy is and why it is important now. The objective of the event was to build a sustainable future: renewables for climate action and sustainable development. The session effectively promoted the awareness that the connection between clean energy, socio-economic development, and environmental sustainability is crucial in addressing issues faced by vulnerable communities worldwide. It was an informative and engaging session and well received by the audience. The event had a short question answer session. The session ended at 12.15 pm with the vote of thanks by Mrs. Neehumol K.G, assistant professor of mathematics.

Report: -	<p>DLLE Unit of Pillai HOC College of Arts, Science & Commerce, in association with IQAC on Thursday, October 19, 2023, celebrated World Food Day.</p> <p>World Food Day, observed on October 16 each year, is a global event dedicated to raising awareness about the importance of sustainable food systems, promoting food security, and addressing issues related to hunger and malnutrition. To celebrate World Food Day, our team organized a street play in the canteen, aiming to attract and educate the public about these critical global issues.</p>

This report provides a comprehensive overview of the event, including its planning, execution, and the impact it had on the attendees. The World Food Day Street play held in our canteen was a successful event in terms of attracting and educating the public. It served as a platform to raise awareness about critical global issues and inspired individuals to act. With continued efforts and engagement, we aim to contribute to a world where everyone has access to safe, nutritious, and sustainable food.

Report:-	<p>DLLE Unit of Pillai HOC College of Arts, Science & Commerce, in association with IQAC on Tuesday, September 05, 2023 celebrated nutrition week an activity by distributing fruits.</p> <p>The Fruits Distribution Activity for ZP School Children was conducted as a part of the United Nations Sustainable Development Goal (SDG) 17 - Partnership for the Goals. This initiative aimed to promote nutrition awareness and healthy eating habits among school children. The event took place during Nutrition Week,</p>

focusing on SDG 2 - Zero Hunger and SDG 3 - Good Health and Well-being. The primary objective of this activity was to distribute fresh and nutritious fruits to ZP School children to promote healthy eating habits and emphasize the importance of including fruits in their daily diet.

The activity took place on September 05, 2023 at 1:00 pm till 3:30 pm at ZP School of Shivanagar and Mohopada. The event involved 16 volunteers from our organization, 10 school teachers and 2 Principals and 160 ZP School children. Our organization procured a variety of fresh fruits, including Apples, Kiwi, Oranges, Guava and Sweet Lime etc. These fruits were carefully selected to ensure they met quality and hygiene standards. Volunteers were responsible for washing and packaging the fruits in individual portions.

The Fruits Distribution Activity was a meaningful contribution to the global efforts to eradicate hunger and promote good health, aligning with SDG (Partnerships for the Goals). By collaborating with the ZP School and engaging with the children, our organization played its part in fostering a healthier and more aware generation.

We remain committed to working towards a sustainable future in line with the United Nations' Sustainable Development Goals and look forward to more such initiatives in the future.

Our gratitude goes out to our Principal Dr. Lata Menon, Vice Principal Mr. Binit Kumar, all the volunteers, teachers, and children who made this event a success.
