FEEDBACK ON SYLLABUS AND ITS TRANSACTION

Pillai HOC College of Arts, Science & Commerce, Rasayani has a well-structured feedback mechanism which involves major stakeholders such as students, teachers, alumni and employers. The institution obtains feedback from all the above mentioned stakeholders to improve the quality of teaching learning process. The college is affiliated to University of Mumbai and follows the curriculum prescribed by the board of studies for all programmes.

Institution believes in understanding stakeholders, considering their views and opinions for holistic development of the organization. The Principal and IQAC have developed a formal practice to gather feedback and implement relevant suggestions after analysis of the same. The feedback questionnaire is designed considering the needs of the students, demands and latest trends of industry and present mode of teaching-learning methodology.

The feedback is collected in online mode using Google forms or Moodle as a part of curriculum enrichment process.

Process of Feedback:

- **Students:** The feedback from students is collected at the end of each academic year.
- **Teachers:** An annual feedback is taken from teachers which is helpful for the overall development of the institution.
- **Alumni:** Alumni feedback is collected during alumni meet or by sharing Google forms in official Whatsapp groups of alumni by the respective programme coordinators. It is also collected whenever an alumnus/alumna visits the college.
- **Employers:** Feedback is taken by sharing Google forms to those employers/organisations where our alumni are placed to analyse if the curriculum standards match the requirements for employment.

Every stakeholder's feedback collected is analysed by IQAC. Based on all these suggestions, actions are taken by the authorities concerned. The reports are made on the action taken to address the suggestions of stakeholders. Those suggestions which are relevant to enrich

quality of teaching learning process are implemented as per the instructions from the Principal, IQAC and management.

The suggestions from the feedback help to identify the limitations in curriculum and implement measures to bridge it by supplementing the curriculum with add on courses, guest lectures, workshops, seminars, industrial visits, experiential learning etc.

Suggestions with regard to curriculum revision are communicated to the respective Board of Studies of University of Mumbai. The analysis of feedback is carried out on a 5-point scale (sample of one programme/course).

Nice and good

Very good teaching,teachers are cordial..

Very good

College faculty and teaching staff is very good.

Good teaching by the teachers syllabus was completed early because of it students have more time to prepare for there examination

Best

My experience about first year is very nice the faculty members are very supportive and friendly. college held various competitions and events to encourage student.

Kindly put Dustbin in each and every class as well as in the washroom for pad disposal and in class for paper waste or food waste..

It will be more good if the teaching will some more practical and some knowledge should be given about how work is done in any company .

Nice, keep it up

There should be gap between the exams

..

Excellent and good teaching

Good collage

Excellent Faculty!

Faculties should teach in an innovative and creative manner which build interest among the students to learn about a particular subject. Faculties should not repeat single topic for numerous time and should not leave other topics after one-time explanation. All chapters , lessons should be treated equally and should be given equal importance. They should be in time for lectures

It's great

Regular lecture

We need more IV related to hospitality.

More knowledge to be given

It's overall nice

.

New Tools , Equipments , gadgets, machinery which is used in Hotels, should be used while teaching in college
