

7.1.7 Details of Software provided for the assistance:

Name of Software:	NVDA (Non Visual Desktop Access)
Type of Software:	Open source
Version:	NVDA version 2024.1
Compatibility:	Windows
Download Link:	https://www.nvaccess.org/download/

The screenshot shows the NVDA website homepage. At the top right is an orange 'DONATE' button. The main navigation menu includes: Home, About, Download, Get Help, Corporate / Government, Blog, Support Us, Shop, and Create Account / Log In. A large teal banner on the left contains the text 'DOWNLOAD and experience NVDA TODAY!'. To the right is a photograph of hands typing on a laptop. Below the banner, on the left, is a 3D-style icon of the NVDA software box with 'NVDA', 'NV Access', and 'FREE' visible. To the right of the icon is the heading 'NVDA VERSION 2024.1' followed by a paragraph of text explaining that the software is free and available for Windows 8.1 and later. It also includes a 'Please note' section with instructions for downloading older versions for Windows 7, XP, or Vista.

NVDA VERSION 2024.1

The NVDA screen reader can be downloaded free of charge by anyone. We do this because we believe everyone, especially the world's poorest blind people deserve access to computers and a way out of poverty. If you have the means, no matter how big or small, please consider making a donation before downloading NVDA. We rely on donations and grants to continue improving NVDA and to ensure it remains compatible with the world's rapidly changing technology.

Please note: NVDA is only available for PCs running Microsoft Windows 8.1 and later.
If you require a version of NVDA which can still run on Windows 7, please download the older [NVDA 2023.3 for Windows 7](#) instead.
If you require a version of NVDA which can still run on Windows XP or Vista, please download the much older [NVDA 2017.3 for Windows XP](#) instead.
NV Access does not recommend or support running these older versions on newer Operating systems.

(NVDA Software is installed)
