Report:-	<p style="text-align: center;">COMMUNITY SERVICE DAY 2023-24</p> <p>Community service day is the day when the entire MES family comes under one roof and renders services to the less fortunate section of the society.</p> <p>Objectives:</p> <ul style="list-style-type: none"> ● To develop sensitization for the needy families and communities. ● To develop a sense of belongingness. ● To offer services to the differently able and disadvantaged section of the society. ● To help those who are vulnerable and most in need. ● To conduct competitions and activities for the needy children. ● To develop a sense of responsibility towards community work.

PHCASC as part of the Pillai group of institutions associated itself with Vanvasi Kalyan Ashram, Mohopada Centre which provides education for the underprivileged children from the tribal areas and work for their upliftment. 43 students along with one of their caretaker, four DLLE volunteers, and eleven faculty members were present in the campus on 27 January, 2024 and were warmly welcomed. They were made to feel comfortable in the classroom and were treated with a delicious lunch. After lunch the children sang songs and danced. Then the student groups were made for various games and competitions. Activities like jumping the line, four corners, drawing and thermocol ball and straw. Then the students played musical chairs where children and staff both enjoyed.

The students really enjoyed the games. There was a cheerful environment of joy. At the end the prizes were distributed for the winners in drawing and the games competition. The whole environment was filled with the giggles and cheers of these students which was our real achievement.

Time: 10:30 am to 1:30 pm

Activity Overview:

The Youth Red Cross (YRC) and the Department of Lifelong Learning (DLLE) of Pillai HOC College of Arts Science and Commerce, Rasayani, organized a book distribution activity aimed at promoting education in nearby Zilla Parishad schools. The initiative targeted the following two schools

1. Zilla Parishad School, Shivnagar Wadi
2. Konkan Education Society's Primary school, Mazgaon.

Objective:

The primary objective of the book distribution activity was to enhance access to educational resources among students from underserved communities. By providing books directly to the students, the organizers aimed to support their academic endeavors and foster a culture of lifelong learning.

Impact:

The initiative successfully reached a total of **148 beneficiaries** across the two schools. By equipping these students with educational materials, the organizers hope to contribute towards their academic growth and overall development.

Acknowledgment:

We extend our heartfelt gratitude to all the volunteers, donors, and supporters who contributed to the success of this initiative. Their dedication and generosity played a crucial role in making this book distribution activity possible.

Report:-	Report on Fruit Distribution in Old Age Home and ZP School in

Nutrition Week

Date: September 5, 2023

Introduction:

The Youth Red Cross (YRC) and Institutional Social Responsibility (ISR) Committee of Pillai HOC College of Arts, Science, and Commerce organized a special event to mark Nutrition Week. As part of our commitment to social responsibility and community engagement, we conducted a fruit distribution program in an old age home and a Zilla Parishad (ZP) school. The event aimed to promote healthy eating habits and provide nutritious snacks to the elderly residents of the old age home and the young students of the ZP school.

Event Details:

Date and Time: The event took place on September 5, 2023, from 1:00 PM to 4:00 PM.

Venue 1: Old Age Home -

Venue 2: ZP School -

Activities:

1. Preparation: Prior to the event, our committee members coordinated with the authorities of both venues to ensure a smooth execution of the program.

2. Distribution at Old Age Home: At the old age home, our team members interacted with the residents, listened to their stories, and shared moments of joy. Each resident received a plate of mixed fruits.

3. Distribution at ZP School: At the ZP school, we conducted an interactive session on the benefits of eating fruits. We engaged the students in fun activities such as fruit trivia quizzes and explained the nutritional value of the fruits being distributed.

Impact and Benefits:

1. Promotion of Healthy Eating: The event encouraged healthy eating habits among both the elderly residents and young students, emphasizing the role of fruits in maintaining good health.

2. Community Engagement: It fostered a sense of community engagement and social responsibility among the college students involved in organizing the event.

3. Joy and Interaction: The event brought smiles to the faces of the elderly residents and young students, promoting a positive atmosphere in both venues.

Conclusion:

The Fruit Distribution program during Nutrition Week organized by the YRC and ISR Cell of Pillai HOC College of Arts, Science, and Commerce was a successful initiative. It not only promoted healthy eating habits but also fostered a sense of community and social responsibility among the college students. We hope to continue such initiatives in the future, contributing to the well-being of our community.

We extend our heartfelt gratitude to all those who supported and participated in this event, making it a memorable experience for everyone involved.

Report:-	<p>DLLE Unit of Pillai HOC College of Arts, Science & Commerce, in association with IQAC on Tuesday, September 05, 2023 celebrated nutrition week an activity by distributing fruits.</p> <p>The Fruits Distribution Activity for ZP School Children was conducted as a part of the United Nations Sustainable Development Goal (SDG) 17 - Partnership for the Goals. This initiative aimed to promote nutrition awareness and healthy eating habits among school children. The event took place during Nutrition Week,</p>

focusing on SDG 2 - Zero Hunger and SDG 3 - Good Health and Well-being. The primary objective of this activity was to distribute fresh and nutritious fruits to ZP School children to promote healthy eating habits and emphasize the importance of including fruits in their daily diet.

The activity took place on September 05, 2023 at 1:00 pm till 3:30 pm at ZP School of Shivanagar and Mohopada. The event involved 16 volunteers from our organization, 10 school teachers and 2 Principals and 160 ZP School children. Our organization procured a variety of fresh fruits, including Apples, Kiwi, Oranges, Guava and Sweet Lime etc. These fruits were carefully selected to ensure they met quality and hygiene standards. Volunteers were responsible for washing and packaging the fruits in individual portions.

The Fruits Distribution Activity was a meaningful contribution to the global efforts to eradicate hunger and promote good health, aligning with SDG (Partnerships for the Goals). By collaborating with the ZP School and engaging with the children, our organization played its part in fostering a healthier and more aware generation.

We remain committed to working towards a sustainable future in line with the United Nations' Sustainable Development Goals and look forward to more such initiatives in the future.

Our gratitude goes out to our Principal Dr. Lata Menon, Vice Principal Mr. Binit Kumar, all the volunteers, teachers, and children who made this event a success.

Report:-	The Programmes of IT, CS and DS in association with Internal Quality Assurance Cell of Pillai HOC College of Arts, Science & Commerce, Rasayani organised an Outreach Programme at R Z P PRI School, Chambharli on February 14, 2024. The school had a cluster of 38 students from class 1 to class 5.

Around 12 students, 4 from each programme and 03 faculty members participated. Mrs. Anita Mhatre, Assist. Professor, coordinated with the school management for conducting this event. Along with her Ms. Sonam Jangam and Ms. Arpita Kante also contributed for the event from their programme behalf.

All the faculty members and the students who participated contributed for this noble initiative which helped us distribute gifts to the students.

The students of CS began with the basics of computers, the students of IT threw light on social media - advantages and disadvantages and the students of DS enlightened the kids with the pros and cons of using smart phones.

At the end of these sessions a Quiz was conducted by the students and all the winners were rewarded with a study kit containing pencils, erasers, sharpeners, ruler, crayons and compass boxes. At the end, all the kids and their teacher were appreciated with chocolates.

The students and the faculty members could create a healthy understanding with the kids very easily and maintain it throughout the activity. It was a cherishing, mirthful and worth remembering moment as we could see the same expressions on the kids' faces when the outreach activity culminated with a gleeful note.

Beyond organising an 'Outreach programme', our students and Faculty members enjoyed with the school kids and made a good rapport with them.

Report:-

The Programme of Hospitality Studies in association with NSS organized a visit to **Rajashray Old age center- Khane Ambivali** for Outreach/ Extension program **on April 20, 2024.**

The purpose of our outreach activity was to visit the elderly residents at the Old Age Home, spend quality time with them, provide companionship, and offer any assistance they might require. Our aim was to spread joy, alleviate loneliness, and contribute positively to the well-being of the elderly.

Activities:

1. **Introduction and Welcoming:** Upon arrival, we were warmly greeted by the staff of the Old Age Home who guided us to the common area where the residents gather. We introduced ourselves and conveyed our purpose for the visit.
2. **Engaging Conversations:** We engaged in conversations with the elderly residents, listening to their stories, experiences, and challenges. We encouraged them to share memories from their past, offering them a chance to reminisce and feel valued.
3. **Refreshments:** To make the visit more enjoyable, we provided refreshments such as snacks and beverages. This allowed for casual conversations over food, fostering a sense of camaraderie and belonging.

Impact: The visit had a significant impact on both the residents and the participants:

- The elderly residents expressed gratitude for the companionship and attention they received. Many of them shared how the visit brought back fond memories and lifted their spirits.
- Participants gained a deeper appreciation for the challenges faced by the elderly and the importance of extending kindness and support to them. They found the experience rewarding and enriching, fostering a sense of empathy and community service.

The Old Age Home visit was a fulfilling and meaningful outreach activity that succeeded in spreading joy, companionship, and support to the elderly residents. It reinforced the importance of social engagement and empathy in addressing the needs of the elderly population. We hope to continue such initiatives in the future and make a positive difference in the lives of the elderly.
