ABOUT MES

Mahatma Education Society (MES) was established in 1970 with the objective of providing education for all. MES represents a vision that is closely aligned with national goals. At a time when education was regarded as a service, the Society set out to bring about social and economic change through the personal development of every child who comes under its care.

MES is headed by Dr. K. M. Vasudevan Pillai (Chairman and CEO) and Dr. Daphne Pillai (Secretary), supported by a team of experienced professionals in the field of education. Today, MES owns and manages more than 48 institutions, ranging from primary to postgraduate education, serving over 35,000 students and employing 2,000 teachers.

ABOUT PHCASC

Pillai HOC College of Arts, Science and Commerce (Autonomous), affiliated with the University of Mumbai, was established in 2008 with the objective of providing quality higher education to students in the rural area of Rasayani. The institution aims to make education accessible to all, irrespective of region, caste, economic background, or academic performance, thereby serving as a catalyst for social change.

Guided by the vision and inspiring words of Dr. K. M. Vasudevan Pillai, Chairman and CEO of MES, the institution caters to the educational needs of 2,130 students across various undergraduate disciplines, including B.Com. (Accounting), B.Com. (Management Studies), B.Com. (Accounting and Finance), B.Sc. (Physics, Chemistry and Mathematics), B.Sc. (Information Technology), B.Sc. (Computer Science), B.Sc. (Data Science), B.Sc. (Cyber Security), B.Sc. (Artificial Intelligence and Machine Learning), B.Sc. (Interior Design), B.Sc. (Hospitality Studies), B.A., and B.A.M.M.C., as well as postgraduate programmes such as M.Com., M.Sc. (Organic Chemistry), M.Sc. (Physics), M.Sc. (Information Technology), and M.Sc. (Data Science).

ABOUT THE FACULTY DEVELOPMENT PROGRAM

The One-Week Faculty Development Programme (FDP), titled “*Faculty Excellence 360°: Digital Skills, Research, Communication and Professional Development*,” aims to enhance the overall professional competencies of faculty members in the evolving landscape of higher education.

The programme focuses on developing essential digital skills to integrate technology effectively into teaching and learning. It seeks to strengthen research aptitude, encourage innovative academic practices, and promote a culture of continuous learning and scholarly excellence. The FDP also emphasises effective communication, interpersonal skills, teamwork, and professional ethics to improve classroom engagement and institutional effectiveness.

Through expert sessions, interactive discussions, practical activities, and knowledge-sharing opportunities, participants will gain valuable insights into emerging educational trends and contemporary academic practices. The programme aims to empower faculty members to adopt innovative teaching methodologies, enhance research productivity, and build confidence in their professional roles.

OBJECTIVES

- To enhance digital skills by equipping faculty members with modern technological tools for effective teaching and learning.
- To strengthen research capabilities, academic writing, and publication skills.
- To improve communication, presentation, and interpersonal skills.
- To promote innovative teaching methodologies and technology-enabled learning.
- To encourage continuous professional development, collaboration, and academic excellence.
